MAYOR’S MESSAGE

The patriot volunteer, fighting for country and his rights, makes the most reliable soldier on earth.

Thomas "Stonewall" Jackson

I open with a quote speaking to today’s headlines. With this quote I remember the Marines, cowardly gunned down in Chattanooga July 16th. A few weeks before, it was the Bible study group in Charleston. It is quite a world we live in. We are blessed to be part of a community, who for the most part, looks after its own. I think the privilege of living in a small community, like ours, also brings a responsibility to look out for one’s neighbors. I think we do a pretty good job of that. A few years ago, when honoring our community volunteers, we used a phrase “Neighbor Helping Neighbor” to describe the many hours offered from our citizens for the betterment of their neighborhoods and the city at large. I have said many times, we couldn’t do it without you. Thanks to all who help!

You may have noticed a lot of time has been spent at recent council meetings discussing water and sewer rates. We did experience a planned rate increase in your home. All you need to do is allow us a clear passage to your water meter to obtain an actual read and/or complete needed repair, so we can obtain a clear reading. If we are unable to obtain the radio read an estimated usage bill is calculated and mailed with the following note: METER CHECK DUE ASAP. If your bill has this note, please contact the City office at 410-751-1100.

We were now faced with a dilemma; how will we be able to pay our debt (for the WWTP)? The answer we arrived at was to raise rates for actual usage. We decided to eliminate the fixed quarterly fee affects fiscal year 2011. We were now faced with a dilemma; how will we be able to pay our debt (for the WWTP)? The answer we arrived at was to raise rates for actual usage. What was decided was that we would, over the period of the next several years, increase the rates each July until our WWTP was again financially self-sustaining. The shortfall, necessary to meet the required debt service, would be taken from the

(Continued on page 3)

WATER/SEWER BILLS

Water/sewer bills will be issued October 1st with a due date of October 30th. Any bill not paid by 3:00 PM on the 30th will be assessed a 10% late penalty fee and will be due by November 16th by 3:00 PM. Water shut-off will be scheduled after November 17th, 2015. If water service is interrupted for non-payment, there will be an additional restoration fee of $50 to reconnect water service. Questions regarding your bill can be directed to the City Finance office at 410-751-1100.

MONTHLY PRE-PAYMENT PLAN

Please keep in mind, paying monthly on your water/sewer bill account continues to be an option for your household budget. Please be sure your account number is referenced at time of payment. All payments collected prior to the quarterly billing will be reflected on your account with the net balance due. Any over payments will remain on your account as a credit toward your next quarterly bill. If you want an annual average, please call City Finance office at 410-751-1100.

WATER AND SEWER RATES INCREASE

The new water rate is $7.37 per 1,000 gallons and the sewer rate is $14.48 per 1,000 gallons. The rate increase is based on the adopted resolution passed in 2011 to fund low interest rate loans secured to pay for needed public water and sewer improvement projects. Questions regarding the increase can be directed to the City Finance office at 410-751-1100.

DEAR PROPERTY OWNERS:

The City of Taneytown would like to take this opportunity to clarify the policy on estimated water bills. We obtain quarterly water readings remotely via a radio read. We do not need to enter your home for this reading.

If your bill has this note, please contact the City office at 410-751-1100, immediately, so that we can schedule a time to physically check the meter, obtain an actual read and/or complete needed repair, so we can obtain future radio reads. This process should take approximately 10 to 15 minutes. All you need to do is allow us a clear passage to your water meter in your home.

Thank you in advance for your cooperation.
PUBLIC WORKS DEPARTMENT

STREET SWEEPING SCHEDULE:
Monday, August 17, 2015
From 5AM to 10AM (no parking allowed):
• York, Frederick, East & West Baltimore Streets

Monday, September 21, 2015
From 5AM to 10AM (no parking allowed):
• York, Frederick, East & West Baltimore Streets

Vehicles are prohibited from parking on the posted no-parking streets between the hours of 5:00 A.M. and 10:00 A.M. Vehicles that are not moved during this time period will be issued a parking citation. Residents may park their vehicles on the municipal parking lot on Record Lane or in the rear parking lot of the Police Station. Thank you for your cooperation.

HOLIDAY TRASH & RECYCLING COLLECTION NOTICE:
Week of Labor Day: Collection will take place on Thursday, September 10, 2015, instead of Wednesday, September 9th.

YARD WASTE REMINDER
You must call the City Office no later than 3 p.m. Monday to schedule for pick up the next day. Currently there are no charges to Carroll County residents for disposal of yard waste at the County Landfill in Westminster (410) 386-4550.

• Please place your bags at the curb by 7:30 a.m., the morning of pick up.
• Yard waste must be placed in paper/kraft bags only.
• Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakage.
• This service is limited to grass clippings, flower & shrubbery trimmings only. Please do not dispose of dirt, sod, thistle, or household garbage.

Tips For Reducing Solid Waste:
Packaging serves many purposes. Its primary purpose is to protect and contain a product. It also can prevent tampering, provide information, and preserve hygienic integrity and freshness. Some packaging, however, is designed largely to enhance a product’s attractiveness or prominence on the store shelf. Since packaging materials account for a large volume of the trash we generate, they provide a good opportunity for reducing waste. In addition, keep in mind that as the amount of product in a container increases, the packaging waste per serving or use usually decreases.

When choosing between two similar products, select the one with the least unnecessary packaging.

Remember that wrenches, screwdrivers, nails, and other hardware are often available in loose bins. At the grocery, consider whether it is necessary to purchase items such as tomatoes, garlic,
Taneytown News

PUBLIC WORKS DEPARTMENT
(Continued from page 2)

and mushrooms in prepackaged contain-
ers when they can be bought unpackaged.
When appropriate, use products you al-
ready have on hand to do household
chores (see Source Reduction Alterna-
tives Around the Home). Using these
products can save on the packaging as-
associated with additional products.
Recognize and support store man-
gers when they stock products with no
packaging or reduced packaging. Let
clerks know when it’s not necessary to
double wrap a purchase. (see Source Re-
duction-Savings for Businesses)
Consider large or economy-sized
items for household products that are
used frequently, such as laundry soap,
shampoo, baking soda, pet foods, and cat
litter. These sizes usually have less pack-
aging per unit of product. For food items,
choose the largest size that can be used
before spoiling.
Consider whether concentrated
products are appropriate for your needs.
They often require less packaging and
less energy to transport to the store, sav-
ing money as well as natural resources.
Whenever possible, select grocery, hard-
ware, and household items that are avail-
able in bulk. Bulk merchandise also may
be shared with friends or neighbors.
 It is important to choose food ser-
ices that are appropriate to your needs.
One alternative to single food services is
to choose the next largest serving and
store any leftovers in a reusable con-
tainer.

MAYOR’S MESSAGE
(Continued from page 1)

City’s reserve utility funds until, once
again we were “flush” (no pun intended).
With this year’s increase, we still are re-
quired to dip into saving to the tune of
about $50,000.
That is a somewhat abbreviated ex-
planation as to WHY we have had water
and sewer rate increases. The fact re-
mains that these increases have had to
occur during a period of a great economic
downturn in our economy. What really
hurts is that ongoing economic growth
has been stymied since 2008. What can
we do in the meantime? Is there a way to
ease the pain. I’m really not sure. One of
the most practical and least costly solu-
tions is to make sure we use our water
and sewer resources wisely. Each of us
subscribe to sound, sustainable water use
practices.
I have formed a committee, Chaired
by Mayor Pro tem Diane Foster, and in-
cludes Councilmen Vigliotti & Frazier
and three citizen members. The purpose
of the committee is to explore potential
options to reduce the water and sewer
rates while meeting our debt obligations.
ID DO know that citizens have suggested
ways that are worth exploring and are
included in this study. This committee
will meet regularly and is open to the
public. Please check our City’s website
or call City Hall to know when the next
scheduled meeting takes place.
I did not want to close though, with-
out again presenting my Taneytown His-
tory Challenge. Last issue’s winner was

MAYOR'S MESSAGE (Continued from page 3)

the question, "What (future) President stopped by a Taneytown factory to thank them for their war effort." The answer was: Dwight Eisenhower stopped by Cambridge Rubber Co to thank them for providing quality rubber boots for the armed forces.

And now for this issue’s question:

One mistake people sometimes make when recalling Taneytown history is that our town was named after US Chief Justice Rodgers B. Taney. It was not, but after a relative, Raphael Taney, a southern Maryland planter and entrepreneur. BUT our town has a link to another US Chief Justice, whose father once owned Antrim, arguably, one of the crown jewels of Maryland's historic homes.

Q) What is the name of that US Chief Justice? And who appointed him to that position.

Reminder, all school age children are eligible to participate. (Help from Mom & Dad/ Mom Mom & Pop Pop is ok).

Be the first to respond with the correct answer to my e-mail address (jlmcarron@taneytown.org) and win a gift card and have your picture appear in the next issue of the Record. If you have won before, give someone else a chance.

Don’t forget to visit the Farmer’s Market for the FRESHEST local produce, each Saturday at the old Sheetz location and get ready for FUN at the Taneytown Lions Family Fun Days: September 10-13 in Memorial Park. See you there!

Taneytown News

TANEYTOWN HERITAGE & MUSEUM ASSOCIATION, INC.

There are many happenings with our association, here are just a few of the things occurring. The Museum building has been busy with construction/renovations. Contractor, Valley Crest has been working on the project at a steady pace. By the time this edition is published work should be completed. After completion we will be busy planning exhibits, arranging exhibit space, lighting, and other inside projects. At this time there is no set opening date as all renovation projects need completion prior to opening.

We participated in the June 6th “Celebrate Taneytown History” event sponsored by the Taneytown Main Street Promotions Committee.

At the May THMA meeting the following officers were elected to serve two year terms: President, Nancy Eyler; Vice-President, Robert Flickinger; Recording Secretary, Meg Herring; Corresponding Secretary, Nancy Keefer; Treasurer, Jean Tracey. The Nominating Committee was Elaine Wantz, Pat Lawyer, Regina Soter, Lola Null, and Dan Wilhide.

Former Hudson Automobile Dealership - The location of the museum at 340 East Baltimore Street was at one time the site of a Hudson automobile dealership owned by Martin Koons. He operated the garage from the late 1920’s to the 1940’s. We are in need of additional information about this business, including pictures, any advertisements, etc. for an exhibit at the museum. If you have any information or ephemera regarding Mr. Koons or the business that you would share it would be really appreciated. If you know of anyone who has a Hudson we would like to have one parked in front of the museum on opening day please contact Exhibits Chair, Nancy Eyler at 410-756-2170.

At the May THMA meeting members of the Sauble family gave a presentation about the former Sauble’s Inn which was located in Taneytown and operated from the 1930’s to 1940’s. Family members shared memories and memorabilia at the meeting. A short business meeting began at 7 p.m. followed by the presentation with questions, discussion and light refreshments.

“One More Round for George” Third Annual Golf Tournament will be held Friday, September 18, 2015 at Quail Valley Golf Course. This will be another fun day for the golfers and volunteers and a major fund-raiser to support the History Museum.
Contact Kenneth Crouse for more details at 410-756-6655 or 410-756-6165.

(Continued on page 7)
MITCHELL Elected Lions District Governor

Taneytown Lions member Robert S. (Bob) Mitchell, was elected District Governor of District 22W, Lions International, at the annual Multiple District Lions convention in Dover, Delaware, in May. He was officially installed at the Lions International Convention in Honolulu, Hawaii, June 30, and immediately began his duties upon his return home, serving the 58 Lions Clubs, 1 Liquor Club, and 10 Leo Clubs of Western Maryland. His term is for the administrative year which runs from July 1, 2015, through June, 2016.

Bob joined the Taneytown Lions Club in September, 2005, becoming very active immediately after his induction. Recognized as a leader he was elected the following year as Third Vice President and moved through the offices of Second and First Vice President to serve as an outstanding President in 2009-2010. He has served on their Board of Directors for numerous years and was named a Melvin Jones Fellow by the club in 2010.

He served as Zone Chairman and Region Chair for the Lions District 22W, then elected as Second Vice District Governor, in a contested race, to serve the 2013-2014 administrative year. He then served with distinction as First Vice District Governor last year before being chosen to serve in the district’s highest office in May.

Parks and Recreation Director for the city of Taneytown since 2005, Lion Bob resides in Taneytown with his wife, Michelle. They have four children and 5 grandchildren.

CHURCH TO SHOW "Soul Surfer" MOVIE OUTDOORS

Trinity Evangelical Lutheran Church in Taneytown will be hosting a free Summer Outdoor Movie Night on Saturday, August 15 beginning at 8:15 p.m. on the back lawn next to the church parking lot. The movie they have selected to show is called "Soul Surfer".

Soul Surfer is the incredible story of teen surfer Bethany Hamilton, who lost her arm in a shark attack and courageously overcame all odds, through determination and faith, to become a champion again. The film's all-star cast features AnnaSophia Robb and Helen Hunt, with Carrie Underwood in her film debut, and Dennis Quaid.

In the wake of the life-changing event that took her arm and nearly her life, Bethany’s feisty fortitude and steadfast faith spur her toward an adventurous comeback that turns her loss into a gift for others. Soul Surfer is a triumphant true-life tale with a God-centered emotional punch. It’s a perfect film to inspire viewers of all ages and to open conversations about the power of faith, hope and God’s love. Use it to help families in your church and community learn to support one another, persevere during adversity and embrace God’s plan for their lives.

Light refreshments will be served prior to the movie. Everyone should bring a blanket or folding chairs to the church at 38 W. Baltimore Street, Taneytown. In case of inclement weather, the movie will be shown inside the church. Call 410-756-8626 or email telctoffice@gmail.com for more information.

A SALUTE AND PRAISE TO OUR FIREMEN

In June of this year, construction for an underground pool was halfway complete, leaving my yard a complete mess. Due to all the dirt being overturned and several days of rain, it looked like a swamp land.

When I complained to the pool company, they assured me they would do a "rough grade" when they came to form the walkway around the pool. A few hours after the pool employees left, having formed the walkway, I figured it was safe to let my dogs out. Within minutes of letting my Rottweiler 'Tank' outside, I called for him to come back inside and when he didn't respond, I observed him being swallowed into a sinkhole! His hind quarters were up to his hips and he was submerged in mud he could not crawl out of. I made a futile attempt to dig him out and after a great effort of not being able to move him called 911. Several men from our wonderful Taneytown Fire Department came and rescued my elderly, grouchy and fearful Rottweiler "Tank". What a great group of men, who because of their efforts, rescued my wonderful "Tank" who would have died without the compassion and effort of TANEYTOWN FIRE AND RESCUE first responders; thank you for the work you do in Taneytown.

EYEGLASSES AND CHILDREN

There are a lot of important tidbits of information to share on the topic of children and eye exams and glasses! I’m decided to simply list some of the most common questions I receive from parents with a much abbreviated answer following:

Q: What is a good age to bring children in for their first eye exam?
A: An eye doctor can perform at least a screening on even an infant. A lot of measurements can be taken without any response from a patient. I think the earlier the better, as some forms of “lazy eye” may not be visible to the parents.

Q: Are school or pediatrician vision screenings sufficient?
A: In my opinion, they are not sufficient to be used in lieu of an eye exam. Some visual disorders are just not measurable in a screening, and often the health of the eye is not evaluated, just the vision.

Q: Should my child see an optometrist or a pediatric ophthalmologist?
A: An optometrist is a primary care eye doctor. A routine eye exam for most children can be performed by an optometrist. An ophthalmologist is a physician/surgeon. For children, this type of doctor usually handles “lazy eye” or surgical issues; most optometrists will refer to an ophthalmologist as indicated. You may also find a lot of optometrists work in the same office with ophthalmologists or co-manage patients with them. Both optometrists and ophthalmologists should be able to provide “vision therapy” which is sometimes also a treatment indicated for school-age children.

Q: What type of glasses lens material should a child have?
A: There are a couple of different types of lens materials that are shatterproof (polycarbonate and Trivex are examples), and these are always recommended for children.

Q: When are contact lenses appropriate for children?
A: Even an infant can be fit in a contact lens if it is medically appropriate to do so. However, for cosmetic reasons or for sports for example, the average age I initially put children in contacts is around age 10, but this is a maturity issue more than a clinical one, so I rely mostly on the parents to tell me if their child shows sufficient hygiene skills and maturity for this responsibility.

My office, Thurmont Eye Care, is a primary care optometry clinic. Our office number is 301-271-0554. Please feel very welcome to call and ask to speak to me directly if you have any questions about your children’s vision. Thank you for reading this article! Dr. Molly Carren, OD.

HARNEY BALLFIELD

In 1946, 15 men from Harney, Carroll County, Maryland and neighboring communities formed a baseball club known as the Harney Baseball Club, Inc. On any given Sunday during baseball season many baseball teams from neighboring communities played at the Harney ballfield located at Conover and Bowers road in Harney. Friends and neighbors would turn out to support their favorite teams. Thus, the Harney ballfield began and became a popular family fun day. The last known meeting of the ball club was in March, 2001, with Elwood “Woodie” Strickhouser presiding as the president of the club. In August, 2001, the ball club disbanded and the property was deeded to Saint Paul’s Lutheran Church in Harney.

In 2012, the Harney ball field of dreams came alive again. Representatives of the Harney VFW, Harney Volunteer Fire Department and Saint Paul’s Lutheran Church will relive the ballfield memories by hosting the fourth annual softball tournament at the ball field on Saturday, September 12th from 9 am to 8 pm and on Sunday, the September 13th from 10 noon to 2 pm. All neighboring fire departments, service clubs and local ball clubs are invited to participate in this Class low-D softball tournament at the Harney ballfield. Food and drinks will be available at a nominal price.

The entry fee is $125.00. Cash awards will be given to the top three teams in the eliminations, as well as gift certificates to all teams.

In April 2012 West Carroll Towing and Transport LLC opens for business. Owner Danny Knox proudly takes the step to open this full service towing and transport in Taneytown, MD to serve the citizens of Taneytown and surrounding communities. Here at West Carroll Towing and Transport, we strive for quick, reliable and courteous service with competitive prices as well. With over 20 years in the trucking and transport business, this experience is the backbone of our business here. My Goal is to keep this business growing and support the citizens of Taneytown in their time of need. We offer 24-hour towing from breakdown, lockouts, auto accidents to small equipment moves and farm equipment. We also assist Maryland State Police and Carroll County Sheriff’s Office as a reliable tow service for them as well. We also service most all the auto shops in the area to tow your car to their facility for repairs as well. Need a small out building moved? No job too small, just give us a call. We want your business. Involved in an accident? We also have secure storage facility to store your wrecked vehicle until your insurance is notified.

Being part of the community is of great importance to me as well. Being a member and supporting the Taneytown Volunteer Fire Department as an active member for over 20 years.
The Taneytown Lions Club is currently preparing for the 3rd Annual Taneytown Lions Club Family Fun Days, to be held Saturday, September 12, 13 & 14, 2015 at Taneytown Memorial Park. We are seeking applicants for the craft show to be held on Saturday, Sept 12.

We are offering 10’x10’ spaces for $50.00 per space. The show starts at 9 AM and we are asking vendors to stay until at least 4 PM. Set up would start at 8 AM or earlier by request. Payment would be made payable to the Taneytown Lions Club in advance and is non-refundable. Vendors are responsible for their own tables, chairs, canopies, etc. All proceeds from the Family Fun Days go toward community projects.

Please call or email either Fred Fussey (410-756-2876, njkiroac@aol.com) or Rosemary Gunther (410-756-6322) with any questions and we will send the vendor application.

Set up from 8-9 AM

The tournament is named in honor of the late George R. Crouse, one of the founders of the History Museum.

All proceeds benefit the History Museum which is a 501(C)3 Organization.

The format is captain’s choice scramble with a hole-in-one ($2) chance to win a 2014 Ford Escape 2 year lease, or golf trip on hole 87 and #7, or an Excelsior Flyway Wood Golf Club set.

Registration at 7 AM, and shotgun start at 8 AM. The awards are presented and the lunch buffet is at 1 PM.

Pictured above is the first place winning foursome from the 2014 tournament.

2014 Winning Foursome: Dale Petcoff, Mike Peters, Norman Dombrow, and Bert Lueb.

The Taneytown Record Page 18 AUGUST/SEPTEMBER 2015
One otherwise unremarkable day last fall I walked into my business class at McDaniel College and was asked, "Do you want to go to China?" I took a step back and answered "That's a lot to ask on a Wednesday morning at 8am...but yes! For the next few months, 5 other students, 2 professors, and I worked hard on a grant application that would be presented to the ASIANetwork. In early February we got the good news — we had won the grant. We were going to China! By May 25th, I was packed and ready for a 14-hour plane ride over the North Pole. Little did I know what sort of adventures the next 4 weeks would hold. The purpose of our trip was to research the effects of economic liberalization on an industry producing an (Continued on page 21)

ancient art form called Tiehua. We did our research in the city of Wuhu in the Anhui Province, spending 10 days conducting interviews with business owners, managers, and workers, holding research discussions, touring Tiehua factories and stores, and even purchasing Tiehua pieces of our own. As I sat in one of the interviews, I thought to myself what an incredible experience to be conducting first-hand research in China and as an undergraduate!

One year ago I never would have thought I would be going to China, let alone traveling and exploring the way that we did. We first arrived in Beijing and visited Tiananmen Square, Forbidden City, and the Great Hall of People. We spent a day at the Great Wall of China, a sight that is absolutely indescribable. Then we headed to Xián to see the Terracotta Warriors. Standing in a room with history that is thousands of years old simply takes your breath away. Next up was Wuhu where we conducted majority of our research. Then we headed to Shanghai where we spent the day at a market street filled with shops and vendors. We ended our trip in Hong Kong, a beautiful city nestled in a valley of the greenest mountains I have ever seen. We spent the morning at Victoria's Peak, in awe of the cityscape and spent the evening on a cruise of the harbor.

So much was packed into those 25 days, but it was an experience I will never forget. Not only did we learn much about Tiehua, we met many wonderful people in China. I’ve learned and firmly believe that the more you travel and see of other cultures, other people, and other lands, the more you learn about yourself.
Join us at the Taneytown Branch for an exciting assortment of events!

Tanya’s Tag and Title Service is pleased to welcome Neil Saffran as the new manager of our Taneytown office. A well-established business with five locations in Carroll County, Terry’s Tag and Title provides fast, friendly tag and title services for the general public - without the hassle of the MVA!

Neil’s ten year background in insurance sales and compliance brings an even higher level of “one stop shopping” to our newest location. In addition to providing tag and title services, Neil specializes in providing home, auto, motorcycle, boat and life insurance. Not only will he provide a free quote, he offers a $20 gift card to anyone who provides the Declarations Page of their current policy for comparison.

Terry’s Tag and Title Service is located within the Barnes Drager Insurance/Erie Insurance office at 464 E. BALTIMORE STREET
IN TANEYTOWN, MD 21787

Business hours are 9:00 am to 5:00 pm Monday - Friday.

The Taneytown Record Page 25 AUGUST/SEPTEMBER 2015
OPENINGS AVAILABLE AT MISSION OF MERCY’S FREE MOBILE CLINIC

Mission of Mercy which offers free medical and dental care, and free or low cost prescription medications to the uninsured and underinsured, announced they have openings for new patients. The mobile medical clinic is located at Trinity Evangelical Lutheran, 38 W. Baltimore St., Taneytown.

For medical patient appointments call 410-833-5870. You must leave a message with a call back number. For site information, visit www.aMissionofMercy.org/maryland-pennsylvania.

Medical patients without an appointment should come early in the morning to increase their chances of being seen on a walk-in basis. Walk-in patients are not guaranteed to be seen and is based on availability. Dental patients are walk-in only and are seen on a first-come, first-served basis.

Upcoming clinic days are on Wednesdays, June 10, July 8, August 12 and September 2. Future clinic dates and additional information can be found at www.aMissionofMercy.org/maryland-pennsylvania.

Mission of Mercy, a nonprofit organization that receives no government funding, has been offering free healthcare, dental care and prescription medications since 1994.

"For our patients, the uninsured and underinsured working poor, Mission of Mercy may be the only source of healthcare, dental care and prescription medications that they can both access and afford," says Jennifer Charlton, Executive Director of Mission of Mercy.

"Healthcare Professionals Needed Currently, Mission of Mercy needs a Physical Therapist willing to volunteer at the clinic one day per month, and insurance is provided," said Michael Sullivan, MD and Chief Medical Director for Mission of Mercy. "Our general dentist also needs a back-up oral surgeon that they can refer one to two patients per month in the oral surgeon's office. In addition, our physicians are always in need of medical sub-specialist that are willing to treat one or two patients per month in their private offices", he added. For more details or to volunteer, contact Dr. Sullivan at 301-682-5683 or by email at msullivan@aMissionofMercy.org.

Mission of Mercy is also seeking community leaders to volunteer for their Leadership Council and events committees. Community members interested in these rewarding volunteer opportunities are asked to call 301-682-5683.

About Mission of Mercy. Since 1994, Mission of Mercy, a nonprofit 501(c)(3) organization, has restored dignity and healed through God’s Love by offering free primary healthcare, dental care and prescription medications. Since opening its six locations in (Continued on page 27)
MISSION OF MERCY
(Continued from page 26)
Maryland and Pennsylvania, Mission of Mercy has provided 40,000 medical and dental visits and dispensed 376,000 prescription medications - all free.
Patients include the uninsured who do not qualify for health assistance programs, and those who are underinsured, and cannot afford their high deductibles, co-pays and/or prescription medications.
Mission of Mercy is not a recipient of government funding, and relies solely on donations from churches, private sector civic organizations, corporations, foundations and individuals for its charitable services. For more information on clinic locations and dates, or to donate, call 301-682-5683 or visit www.aMissionofMercy.org/maryland-pennsylvania.
Summer is here! That means mosquitoes will be coming out. Heartworms are transmitted to dogs and cats by mosquitoes. Without the administration of a heartworm preventative, your pet could get heartworm disease, a potentially fatal disease affecting the heart and lungs. Call us today to discuss how to protect your pet!
