Mayor’s Message

I think in small towns like this one, whether you’re a man or a woman, you basically do what there is to do. Estelle Parsons

Summer is upon us (well almost). What a glorious season. We have indeed celebrated the new life that is springtime. It is all around us. Now, summertime fast approaches. A time to enjoy all our creator has promised. We have had an exciting spring too. With the city elections of May 4th have a Council with two new councilmen and a mayor that are excited about the coming year and eager to get to work to the business of serving our citizens. I am writing this just a few days before we celebrate Memorial Day, the traditional start of summer. Many of those who have been off to college have returned home. The school kids can’t wait until the last day. Maybe families are planning vacations or family reunions. Our youngsters are busy with ball games, lacrosse, field hockey and soccer. There will be back yard Bar B Q’s and trips to the grandparents and plenty of time to spend some time enjoying our parks. We have a lot planned for the coming months. You’ll want to be part of it!

A sampling of what is coming up: (check websites or call City Hall for times)

- May 25th: Memorial Day Commemoration, American Legion Post
- May 30th: Fishing Derby, ages 4-12, Roberts Mill Park
- June 6th: Downtown History Contest Scholarship Awards Downtown
- June 6th: Relay for Life, Carroll Vista
- June 8th: 13th Taneytown Fireman’s Carnival, Carnival Grounds
- June 20th: 4th Annual Wine & Music Festival, Memorial Park
- June 20th: Farmer’s Market, OLD Sheetz location

That is just a little bit of what will be going on, more events scheduled July-October. Check our web site for further details (www.taneytown.org). I hope to see you all!

The business of running our City continues. I’ve mentioned that I am excited to be working with the new Council and for you for another four years, thank you for your support. I would be remiss if I failed to acknowledge the many contributions made by our retiring Councilmen, Mayor Pro Tem Carl Ebaugh and Rick Hess. They have tire-

TRASH AND RECYCLING REMINDER

Week of Independence Day: No change; Collection will take place on the normally schedule day of Wednesday, July 1, 2015

YARD WASTE REMINDER
You must call the City Office no later than 3 p.m. Monday to schedule for pick up the next day. Currently there are no charges to Carroll County residents for disposal of yard waste at the County Landfill in Westminster (410) 386-4550.
• Please place your bags at the curb by 7:30 a.m., the morning of pick up.
• Yard waste must be placed in paper-kraft bags only.
• Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakage.
• This service is limited to grass clippings, flower & shrubbery trimmings only. Please do not dispose of dirt, sod, thistle, or household garbage.

GRASS CLIPPINGS
Please do not sweep or blow grass and debris into the street. This practice can block downstream storm water inlet grates and pipes causing storm water to backup into the street, creating flooding conditions. Also, please report anyone seen dumping materials into the storm water drainage system, by contacting the Taneytown Police Department (410-751-1150) or the City Office (410-751-1100). It could be contaminating our environment.

RECYCLING BASICS
Recycling is the process of collecting...

ing and processing materials that would otherwise be thrown away as trash and
turning them into new products. Recycling can benefit your community and the
environment.

BENEFITS OF RECYCLING
• Reduces the amount of waste sent to
landfills and incinerators;
• Conserves natural resources such as
timber, water, and minerals;
• Prevents pollution by reducing the
need to collect new raw materials;
• Saves energy;
• Reduces greenhouse gas emissions
that contribute to global climate change;
• Helps sustain the environment for
future generations;
• Helps create new well-paying jobs
in the recycling and manufacturing indus-
tries in the United States.

Thank you all for your recycling ef-
forts. If you currently do not recycle,
please begin. Get the children involved
and make it fun for them. If you are a
new resident of Taneytown, please con-
tact the City Office (410) 751-1100 and
we will deliver a recycling toter to your
residence. Protecting our environment for
future generations is so very important.

MAYOR'S MESSAGE
(Continued from page 1)

lessly been at your service during their
terms of office and I am sure their spirit
of service will continue in the coming
years. Thank you Carl & Rick for your
many years of unselfish service. The new
Council was seated at the close of Old
Business at our May Council Meeting.
One of the last acts performed by the old
Council was to enact the fiscal year 2016
budget (effective 6/30/15). The budget
passed unanimously. I am proud to say
we were able to fund the City's services
again, this year, without a tax increase.
In other Council news, a new well, Well
17 in now ready to be put into service.
The improvements required by Maryland
Department of the Environment (MDE)
that will upgrade our waste water treat-
ment plant are well under way. We are
glad to do our part to improve the qual-
ity of the Chesapeake Bay. Proceeds from
the Chesapeake Bay Restoration Fund,
initiated by Gov. Ehrlich, are being used
to lessen the impact these improvements
will have on our citizens. I encourage
everyone to attend a Council Meeting and
let us know what is on your mind.

I gave due accolades to our retiring
Council members in the preceding para-
graph, but I also want to mention another
retirement. This person has served our
community for over twenty years. It has
been a privilege to know him and an
honor to work with him. He has literally

MAYOR'S MESSAGE
(Continued from page 3)
touched the lives of many in our community, the young and the old, the rich and the poor. That person is Msgr. Martin Field, pastor of St Joseph's Church. Msgr. Marty, as we know him will be retiring on June 30th. He will be greatly missed, not only by the flock he shepherds, but by all who know him. In recognition of his many contributions to the Taneytown community, the Mayor & City Council has declared May 21st as Monsignor Martin Field Day. If you have a chance to drop Msgr. Marty a card, or a note or just say "best wishes in your retirement", I know he'd appreciate it.

You all know of my great love for local history, especially Taneytown's history. Well a special project developed by the downtown businesses to reward school students for their interest in their town's history is in its second year. The downtown business group has asked that school students submit essays to be judged and the downtown business will be awarding prizes (scholarships) to the winners. This presentation will take place on June 6th, about noon time. I encourage you to come downtown for an afternoon for special activity and enjoyment. See separate article. In other youth news and something I have done each year as your Mayor, is to speak with the fourth graders at Taneytown Elementary School about how City Government works. I have asked the fourth graders to write a short piece entitled "If I Where Mayor". This year's winners were selected by your City Council and the (3) winners will be presented their prizes at the June 8th Council Meeting. Be sure to come and cheer them on.

Finally, it's time for the History Contest question. I was really concerned that last issue's question was a little too hard. It took until May 12th to come up with the correct answer: Q) When did passenger train service cease in Taneytown A) 1948 Congratulations to Kathryn Graham, an 8th grader at Northwest Middle School! Kathryn has only lived in Taneytown for about five weeks!

Now, for this issue's question, this one is most appropriate for Memorial Day.

Most everyone is aware that George Washington visited Taneytown and stopped at the Adam Goode Tavern on Frederick St on his way to Philadelphia. BUT another US President also visited a Taneytown factory to thank them for their war effort. Q) Who was that President and what factory did he visit?

The first correct answer, sent to my email address will win. (jlmccarron@taneytown.org) All school age children are eligible to participate. (OK to ask for help from Mom or Dad, Grand Ma or Pap Pap). If you have won before, let someone else take a guess. The winner will receive a gift card and their picture in the next issue of the Taneytown Record. Good Luck!

TANEYTOWN RELAY FOR LIFE

Please join us for the Taneytown Relay for Life taking place at the Carroll Vista Clubhouse on Saturday, June 6 from 10AM-2PM. The day’s events include an Opening Ceremony, Survivor/ Caregiver walk and luncheon, Bake Sale, Raffles, health information and a Luminaria Ceremony. Additional Luminarias to honor friends and loved ones can be purchased up to and on the day of Relay for $5 each plus a canned good to weigh down the bag. The food will later be donated to Carroll Food Sunday. Contact Marge Graham (410-756-1646) for orders. The luminarias will all be displayed along the clubhouse walkway. Several teams will have decorated tents around the circle in front of the clubhouse and will welcome visitors.

The Silent Auction and Bingo were great successes, raising over $7000. Taneytown businesses have supported Relay through registering teams, giving sponsorships, and participating in May’s Paint the Town Purple campaign. Their support is greatly appreciated.

A very special thanks goes to the students and staff at Taneytown Elementary School. Their week-long penny campaign raised $1050!

Please note that the front entrance to Carroll Vista will be closed from 9:45 to 10:45 on June 6 when the opening ceremonies are being held.

We hope to see you all on June 6.

MAYOR’S HISTORY QUESTION

Congratulations to Miss Kathryn Graham, 8th grader at Northwest Middle School. She is the winner of the Mayor’s History Question in the most recent issue #67 of the Taneytown Record.

Taneytown History Museum member and docent, Nancy Eyler suggested this question. It has to do with our railroad line. In the late 19th and early 20th century rail lines linked rural communities together. Taneytown had regular passenger service the question is this: "What year did passenger service to and from Taneytown cease?"

Kathryn’s answer was: “Passenger trains to and from Taneytown stopped in August 1948.”

This was the first correct answer that the Mayor received in accordance with the rules of the contest.

Thank you for all the responses.

If you would like to participate in the next Taneytown History Question in issue #68 of the Taneytown Record, make sure you read the next Mayor’s Message. The contest is open to all school age children, Mom & Dad can help. The winner will receive a gift card good at a Taneytown business. To enter look for the next issue (#68) of the Taneytown Record and email your answer. The First correct answer received, based on email date & time stamp, will win the prize! The decision of the judges will be final, only one winner per household. Make sure to include your students name, address, and phone number with the response. If you (or Mom or Dad or Mom Mom or Pap Pap) would like to submit a question for the next issue, please send that to my email also, jlmccarron@taneytown.org

CODE ENFORCEMENT REMINDERS
Jim Wieprecht,
Code Enforcement Officer

When the streets blossom with neon orange, green and yellow tag-board signs, it must be yard sale season! Please keep in mind that off-premise signs are prohibited by City Code. Yard sale signs are permitted in all zones of the City, but they must be on the property where the sale is being conducted, according to section 205-44.E. Signs on parked vehicles are not allowed as described in section 205-53.K. "Prohibited Signs". The off-premise limitations also apply to new home and other real estate directional signs.

The City Code does provide for a fine of "not more than $100.00" for such a violation. The Code also tells us that each and every day a violation continues may be deemed a separate offense, and each sign is considered a separate offense. The goal here is not to issue citations, but to gain compliance with the code, and I hope it does not become necessary to step things up and levy fines because of continued noncompliance.

This is also a busy time of year for complaints regarding yard maintenance, or rather lack of maintenance. Weeds and Grass need to be kept under control, with the City Code specifying that property owners or occupants not allow property to become overgrown, which is defined basically as weeds or other plants over 8 inches high. Trees are exempt from this requirement provided they are not growing wild, and plants grown for cultivation or ornamental purposes are also exempt. Property that becomes overgrown, may be considered "detrimental to health,

Don is a native of Carroll County and the youngest son of 5 Children born to Joseph and Viola Frazier of the Frazier Homestead in Finksburg. John, his eldest brother, lives in the Finksburg one room School house and his two sisters Joyce and Linda are both in the Medical profession. Jim works with Don in the Frazier Machine Company Inc., a local business in its 59th year of continual operation where he worked for 25 years. Don is the Great-Great Grandson of Samuel A Lauver who helped John K. Longwell found Carroll County in 1836 with the publication of the Carrolltonian newspaper and whose son Charles E. Lauver became the County Treasurer and brother Dr. Milton A. Lauver was a prominent Bruceville Physician and is now buried in St Joseph's Catholic Cemetery in Taneytown. All the Frazier Children graduated from Westminster High School, Don graduating in 1977. He married Robin Bartlett, a 1978 Graduate of WHS in September of 1984. They have three daughters: Joanna Elisabeth, Rebekah Marie and Hannah Betts Frazier. Active in local politics since high school, Don won the William Paca Award for the Outstanding Republican Youth in 1984. He has been twice the President of the Tri-District Republican Club.

Don represented the Carroll County Commissioners on the Central Maryland Health System's Agency and chaired its Sub Area Advisory Council here in Carroll County. He served on the AIDS awareness committee and the Radon and Asbestos sub committees. Don also was appointed by Governor Harry Hughes to the Maryland Home Improvement Commission.

He and Robin live on Bentley Street in Taneytown and paid $419.00 for water and sewer on a most recent water bill. He hopes to keep our community a viable and thriving municipality through more sound budgeting and lower utility and real estate taxation policies thru lean and efficient governance.

In April 2012 West Carroll Towing and Transport LLC opens for business. Owner Danny Knox proudly takes the step to open this full-service towing and transport in Taneytown, MD, to serve the citizens of Taneytown and surrounding communities. Here at West Carroll Towing and Transport, we strive for quick, reliable, and courteous service with competitive prices as well. With over 20 years in the trucking and transport business, this experience is the backbone of our business here. My goal is to keep this business growing and support the citizens of Taneytown in their time of need. We offer 24-hour towing from breakdown, lockouts, auto accidents to small equipment moves and farm equipment. We also assist Maryland State Police and Carroll County Sheriff’s Office as a reliable tow service for them as well. We also service most all the auto shops in the area to tow your car for repairs as well. Need a small outbuilding moved? No job too small, just give us a call. We want your business. Involved in an accident? We also have secure storage facility to store your wrecked vehicle until your insurance is notified.

Being part of the community is of great importance to me as well. Being a member and supporting the Taneytown Volunteer Fire Department as an active member for over 20 years.

9 YORK STREET - $25.00 PER TABLE - WE WILL DO THE ADVERTISING FOR INFORMATION EMILY - 443-918-8557

The Taneytown News is currently preparing for the Third Annual Taneytown Flea Market to be held Saturday, July 11, 2015, from 10 a.m. to 3 p.m. at the Taneytown Municipal Park. We are seeking applicants for the craft show to be held that Saturday. We are offering 12 ft x 12 ft spaces for $50.00 per space. The show starts at 9 a.m. and we are not taking vendors in any later than 4 p.m. Set-up will start at 8 a.m. by request. Payments will be made payable to the Taneytown Fire Department. Vendors are responsible for their own tables, chairs, canopies, etc. Adjustments of the Flea Market are made at the discretion of the committee.

Pre-registration fee is $10.00. To register, visit www.taneytown.com or contact Emily (443-918-8557) with any questions and we will send the vendor application.

Set up from 8-9 a.m.

cording to Chapter 124 Article III of the City Code. 
When you do mow, please do not discharge or blow 
grass clippings onto the sidewalk or into the street 
where they may block storm drains. Yes, that's a vio-
lation of City code as well! Properties that either be-
come overgrown or accumulate refuse or rubbish may 
also be providing a habitat for rodents, and feral cats, 
which of course tend also to trigger complaints. Con-
sider also, that harboring animals, according to Ani-

makes someone who harbors an animal the animal's 
owner - just something to think about before sitting 
food or water out for strays that may come around 
your property.

The City of Taneytown — Public Works Department would like to present to you this year’s Annual Water Quality Report. This report is designed to inform you about the quality of the water and services we deliver to you; please pay attention and help us understand the effort we make to ensure that the water we provide is safe and dependable. We are committed to ensuring the quality of your water.

Our water is supplied by two wells located throughout the City, which draw from the New Market aquifer (or fault line). Each well has its own disinfection treatment system. The finished treated water from each well is then directed into a distribution piping system, which includes two storage tanks. We have a Source Water Assessment Plan available from our office that provides more information on potential sources of contamination. This plan is also available from the Maryland Department of the Environment (MDE) at the Carroll County Public Library.

We are pleased to report that our water treatment meets federal and state standards. Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-suppressed persons such as patients with cancer undergoing chemotherapy, persons whose immune systems are compromised, patients with HIV/AIDS or other immune system disorders, infants, and seniors may be particularly at risk for infections. Those people should ask their health care providers if they are part of a vulnerable group and if there is a need for additional protection. A written Water Quality Report can be obtained from the Carroll County Department of the Environment, Public Protection, and Water Quality Protection and the Carroll County Health Department.

If you have any questions about this report or concerning your water usage, please contact the City office at 410-773-1000 between the hours of 8 A.M. and 4:45 P.M. We want your valued customers to be satisfied with our service, and we want your valued customers to be satisfied with our service. Should you need assistance with drinking water filters, you can call the Carroll County Health Department at 410-773-2670.

The City of Taneytown maintains records of contaminants in your drinking water according to Federal and State standards. This information includes the results of monitoring for the period from January 1, 2014 to December 31, 2013. These records will be made available to you upon request. We want to reiterate that any naturally occurring or man-made. All drinking water (including bottled water) must be treated to ensure that at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the MDE Hotline at 1-800-452-4900.

Non-Storm (SD) - laboratory analysis indicates that the contaminant is not present.

Ppp per million grains or ng/µg per ppm the mg/µg per ppm. For example, one mg/µg per ppm is $50.00.

Non-Storm (NS) - laboratory analysis indicates that the contaminant is not present.

Maximum Contaminant Level - The "Maximum Allowed" (MAL) is the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLG values as possible using the most current health and scientific data available in the United States.

Maximum Contaminant Level Goal - The "Goal" (MCLG) is the level of a contaminant in drinking water below which there is no known or anticipated risk to health. MCLGs allow for a margin of safety.

Inorganic Contaminates

| Contaminant | Value (mg/µg) | Level | Code | MCLG | MCL | Liability Source of Water
|-------------|---------------|-------|------|------|-----|---------------------------|
| Nitrate | 0.004 (mg/µg) | 0.2 | 1 | 1.0 | 0.2 | N/A
| Lead | 0.002 (mg/µg) | 0.05 | 5 | 0.05 | 0.05 | N/A
| Copper | 0.003 (mg/µg) | 0.1 | 0.1 | 0.1 | 0.05 | N/A
| Chlorides | 0.02 (mg/µg) | 0.2 | 0.2 | 0.2 | 0.2 | N/A
| Sodium | 0.002 (mg/µg) | 0.2 | 0.2 | 0.2 | 0.2 | N/A

Total Dissolved Solids (TDS) | 2.0 | 2.0 | 2.0 | 2.0 | N/A

Note: Test results are for 30% unless otherwise indicated. All contaminants are not required to be tested for in an annual test.

Maximum Contaminant Levels (MCLs) EPA generally set MCLs at levels that will result in an adverse health effect or failure of a water treatment procedure. The standards are set based on the best available scientific information and are designed to ensure the safety of your drinking water.

Limit: If your tap water discolors, tastes or smells, contact your water supplier.

Levels: If your tap water discolors, tastes or smells, contact your water supplier.

Treatment: If your tap water discolors, tastes or smells, contact your water supplier.

Summer is here! That means mosquitoes will be coming out. Heartworms are transmitted to dogs and cats by mosquitoes. Without the administration of a heartworm preventative, your pet could get heartworm disease, a potentially fatal disease affecting the heart and lungs. Call us today to discuss how to protect your pet!
