No winter lasts forever and no spring skips its turn, Hal Borland

My quote for this issue is certainly hopeful news. I guess, really, we haven’t had such a terrible winter. I can remember worse, but nevertheless springtime is always so welcome. March Madness is about over; I hope you bracket players did better than I’ve done so far! Easter is less then a month away. Something else that is just about a month away is our City’s election. Citizens will be going to the polls on Monday, May 6th to cast their ballots for Mayor, and two Council members. I truly have been proud to serve as your Mayor. I have also truly enjoyed updating you with all the great things about our town as it sincerely comes from my heart!

I am very happy to report that Council introduced the Fiscal Year budget (July 1, 2019-June 30, 2020) at the March Council meeting. The City is in good shape, after a long and bitter recession. Again, this year, our tax rate will remain the same. I have never submitted a budget to Council that called for a tax increase, even during the depths of the recession. Consideration was given to again, reducing the water and sewer rates (we lowered the rate last year) but Council decided to leave them the same. Prudent planning in past years has enabled your City to weather what was the worst economic downturn since the “Great Depression”. Times are looking better, though. This year our budget allows for some major capital improvements. Some of the projects we hope to accomplish are the refurbishing of our water tower and perhaps the standpipe too, the virtual rebuilding of Robert’s Mill Road and the completion of the first phase of Bollinger Park. Something coming this spring will be a new Gazebo in Memorial Park where we can hold concert events and the gazebo will act as the central location for our festivals and gatherings of all types. This is something we’ve needed for a long time.

As you may know, I am the Vice-Chair of the Carroll County Commission on Aging & Disabilities (COAD) and the Chairman of it’s Aging in Place (AIP) sub-committee. By the time you receive this newspaper, the annual Senior’s on the Go Expo will be ready to begin Wednesday, April 3rd at the Shipley Arena Ag Center. I encourage everyone to attend this phenomenal event. I have participated as an exhibitor each year; this year is no exception. The number of vendors and senior product providers is unequalled at any event within miles. There is no admission charge, there are various topical programs throughout the day, health screening professionals of every sort to assist. Please put this date on your calendar, I’ll see you there! The COAD is charged with caring for those that need such assistance. (Continued on page 3)

DEAR PROPERTY OWNERS:
The City of Taneytown would like to take this opportunity to clarify our policy on estimated water bills. If the City does not get a radio read from your water meter (we do not need to enter your property to get this reading), the system will estimate your bill based on the previous three (3) quarters usage. There will be a water mark behind current reading/previous reading/consumption usage on your bill, stating Estimated Reading, if you have been estimated.

If your bill has the Estimated Reading image, please contact the City office at 410-751-1100, immediately, so that we can schedule a time to physically check the meter, obtain an actual read and/or complete needed repair, so we can obtain future radio reads. This process should take approximately 10-15 minutes. All you need to do is allow us a clear passage to your water meter in your home.

CITIZEN HONES NEW ADMINISTRATIVE ASSISTANT

My name is Catherine (Cathy) Stine. I reside in Keymar with my husband. I am a member of the Libertytown Vol. Fire Dept. In my spare time I loved to read and crochet. I am looking forward to working with the community.

My quote for this issue is certainly hopeful news.

A REVIEW OF NEWS AND EVENTS

WATER/SEWER BILLS

Water/Sewer bills will be issued April 1st, with a due date of April 30th, 2019. Any bill not paid by April 30th, will be assessed a 5% late penalty fee; on May 8th, an additional 5% will be added to any unpaid balance and on May 15th, an additional 5% will then be added to any unpaid balance. After May 15th, a late Water/Sewer bill will be mailed to anyone with an outstanding balance and will be due by May 22nd, 2019. Water shut-off is scheduled after May 22nd, 2019. If water service is interrupted for non-payment, there will be an additional restoration fee of $50.00, to reconnect water service. On the day of water shut off, only cash payments will be accepted. Questions regarding your bill, can be directed to the Water/Sewer Department at 410-751-1100. Payment arrangements are available to Homeowners ONLY. However, they need to be made prior to April 30th for April’s bill.

* **When payment arrangements are made, 10% of your total bill must be paid at the time the payment arrangement is signed** Payment Options:
• Stop by in person at the City Office, 17 East Baltimore Street, Monday through Friday, from 8 a.m. to 4:30 p.m.
• Drop your payment in our drop box located on the front of our building to the right, available 24/7.
• Mail your payment to our office at 17 East Baltimore Street
• Pay online at https://www.diversifiedbillpay.com/v1/taneytown or access the link from www.taneytown.org

A $3.00 convenience fee is charged and collected by processor for every $100. We now accept Visa, Mastercard, Discover and American Express.

DEAR PROPERTY OWNERS:
The City of Taneytown would like to take this opportunity to clarify our policy on estimated water bills. If the City does not get a radio read from your water meter (we do not need to enter your property to get this reading), the system will estimate your bill based on the previous three (3) quarters usage. PUBLIC WORKS DEPARTMENT

STREET SWEEPING SCHEDULE:

Monday, April 15, 2019
From 5AM to 10AM (no parking allowed):
• York, Frederick, East & West Baltimore Streets

Monday, May 20, 2019
From 5AM to 10AM (no parking allowed):
• York, Frederick, East & West Baltimore Streets

Vehicles are prohibited from parking in the metered spaces on the posted no-parking streets between the hours of 5:00 A.M. and 10:00 A.M. Vehicles that are not moved during this time period will be issued a parking citation. Residents may park their vehicles in the municipal parking lot on Record Lane or in the rear parking lot of the Police Station. Thank you for your cooperation.

SWEEPING OF ALL STREETS:

Beginning in April and continuing through November, the Public Works Department will again pick up grass clip-pings on Tuesdays. You must call the City Office no later than 3 p.m. Monday to schedule for pick up the next day. Currently there are no charges to Carroll County residents for disposal of yard waste, at the County Landfill in Westminster (410) 386-4500:
• Please place your bags at the curb by 7:30 a.m., the morning of pick up.
• Yard waste must be placed in paper-kraft bags only.
• Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakage.
• This service is limited to grass clippings, flower & shrubbery trimmings only. Please do not dispose of dirt, sod, thistle, or household garbage.

STORM WATER INLETS

Please do not sweep or blow grass and debris into the street. This practice can block downstream storm water inlet grates and pipes causing storm water to backup into the street, creating flooding conditions. Also, please report anyone seen dumping materials into the storm water drainage system, by contacting the Taneytown Police Department (410-751-1150) or the City Office (410-751-1100). It could be contaminating our environment.

BULK TRASH - SATURDAY, MAY 4, 2019:
From 7:30 a.m. to 1 p.m. the City will provide compaction trucks and dumpsters at Taneytown Memorial Park for the removal of bulk trash. Citizens are asked to observe the following procedures:
• Citizens will be responsible for bringing their trash to the park for disposal.
• All persons who are dumping material will be required to show a proper ID to the attendant, before they can drop off their items. Only citizens of Taneytown will be allowed to dispose of trash. All others will be turned away.
• Please do not leave trash in the park after hours specified above. The trash disposal service will only operate during these hours.
• Vehicles transporting bulk trash for disposal must be limited to passenger ve-

MAYOR'S MESSAGE
(Continued from page 1)
for the needs of not only seniors, but also people with disabilities and veterans. I always welcome your input as to how we may serve these segments of our population. I’d love to hear from you.

The first week of February I was able to attend the annual Maryland Mayor Association winter meeting in Annapolis. This is quality time where Maryland’s Mayors gather and discuss things of mutual benefit to our citizens. I have had a chance to talk one on one with our delegation and Gov. Hogan about the needs of Taneytown. This year, again, I have had the privilege of serving on Maryland Municipal League’s (MML) Legislative Committee. This committee meets almost weekly during the General Assembly Session and promotes or opposes legislation that may benefit or be detrimental to municipal citizens. Last year after many years of struggle we were able to have restored a large portion of the highway user revenues (HURs) that were cut during the O’Malley administration. This is a major reason we are able to address the Robert's Mill Road construction I mentioned previously. This year has been just as daunting as local governments battle the giant telecom industry. The new 5-G technology that you have heard so much about is upon us. To bring this to our town, (which we all favor) the technology requires “small cell tower” antennas to be installed at +- 100 intervals. The local governments have been fighting the insistence of big industry & the FCC to allow these towers to be installed “willy nilly” along our streets. A victory of sorts was announced last week (3/15) when it was announced that both the industries’ legislation and local government’s legislation would be sent to a “study group” before being reintroduced, next session. The City of Taneytown has crafted its own ordinance that will allow us to control the look, design & safety of this technology. This will give us a chance to prove we can work with this new technology and still protect the aesthetics of our town.

I promised I would not go on too long because of all the other content in this issue but I fear I am getting close. I can’t close though without reminding everyone that the Taneytown Historical Museum will re-open for the season on Sunday, April 7th. This year’s exhibit will feature World War II and how it impacted Taneytown. Please come out for our Season Opening celebration.

After only a one issue hiatus, I am bringing back the history quiz. It relates, of course, to the Museum’s theme of World War II:

QUESTION: Longtime Taneytown resident, Ralph Kelly served in North Africa, Sicily and participated in the Omaha Beach invasion on D-Day and the Battle of Bulge during WWII. During his three and half years with the Big Red One, he earned the Combat Infantry Badge, two Purple Hearts, two Bronze Stars and two Silver Stars.

He was given a nickname by his fellow infantrymen, what was that nickname? (Thanks to David Buie for this issue’s question)

Be the first school age person to respond to my e-mail (jlmccarron@taneytown.org) with the correct answer and you will win a Gift Card from a Taneytown area merchant and be featured in the next issue of the Taneytown Record. Be sure to include your age, grade and where you go to school (home (Continued on page 4)

PUBLIC WORKS DEPARTMENT
(Continued from page 2)
hobbies and pickup trucks. Larger trucks should haul their items directly to the Carroll County Landfill.
- All items containing oil and/or gas must be drained.
- The attendant will direct you to dedicated dumpsters for metal items and appliances.
- There will be one compaction truck designated for all other acceptable recyclable items, which includes little tyke play equipment, plastic trash cans, etc.
- To keep the flow of traffic moving, all recycling items should be separated before entering the drop-off area.
- Dirt, sod, tires, propane tanks, paint, concrete debris or chemicals of any type will not be accepted.
- Yard waste will be limited to grass clippings, flower & shrubbery trimmings only, and must be placed in paper-kraft bags.
- This will be the only bulk trash event for 2019, so please have your unwanted items ready for disposal this spring.

FIRE HYDRANT FLUSHING
The City’s Water Department will be flushing fire hydrants in the areas listed below. City hydrants are flushed regularly to ensure they are in working order for fire protection, and to remove sediment in pipes. These sediments, which do not pose a health concern, are comprised mostly of minerals which have accumulated over time. The annual flushing program helps to keep fresh and clear water throughout the distribution system. Customers may notice a slight drop in water pressure or temporary water discoloration. Restaurants and those using washing machines are cautioned to check their water supply. If tap water does become discolored, turn on several cold-water faucets to run for a short time until the water runs clear. Using more than one faucet allows the water to clear faster.

Monday, May 6 through Friday, May 10, 2019:
East Baltimore St, Trevanion Rd, Trevanion Terrace, Kings Dr, Kings Ct, Courrier Dr, Courrier Ct, Grand Dr, Cambridge Ct, Dunkle Ct, Saddletop Dr, Ponytail Lane, Butterfly Dr, Hayride Lane, Horseshoe Lane, Clubside Dr, Windy Hills Dr, Starboard Dr, Starboard Ct, Zephyr Ct, Carnival Dr, Fairground Ave, First St, Second St, Third St, Fourth St, Monocacy Circle, Divern St, George St, Franklin St, Broad St, Courtland St, Antrim St, Canoe Ct, Bancroft St, Kenan St in Copperfield, Morning Frost St, Huntinghorn Ct, Huntinghorn St, Bison St, Bentley St in Roberts Mill Run, Chevro Dr, Breakiron St, Water Run St, and Amicus St.

SPRING CODE ENFORCEMENT REMINDERS

With warmer weather and the start of the growing season approaching, we’d like to share a few reminders on City Code requirements. Weeds and Grass need to be kept under control, with the Code specifying that property owners or occupants not allow property to become overgrown. Properties with weeds or other plants over 8 inches high that are not grown for ornamental or cultivation purposes may be considered overgrown. Trees are exempt from this requirement provided they are not growing wild.

Each spring, as people begin spending more time outdoors, the City tends to receive more complaints regarding animals. Pet owners should remember that they are responsible for cleaning up after their pets, both on their own property and that of others should they walk the animal beyond their own property. Dogs are to be confined to their owner’s property or kept on a lead when being walked anywhere else. More information on pet owner responsibilities may be found in the County’s Animal Control Ordinance, which the City has adopted. The ordinance is available on both the County’s website and that of The Humane Society of Carroll County. Please contact the Humane Society at (410) 848-4810 with any animal related concerns.

Another warmer weather occurrence is more frequent yard sales. While no permit is required to hold a yard sale, or to post a sign for a yard sale, those signs cannot exceed six square feet in area, and must be on the property where the sale is being conducted according to section 205-44.E of the Code. Off-Premise Signs including temporary ones like real estate and yard sale signs are generally prohibited by City Code.

Please Contact the Zoning Department with any questions or concerns about Code Enforcement or property maintenance at (410) 751-1100 ext. 107, or by e-mail to jawieprecht@taneytown.org.

TANEYTOWN CARROLL VISTA COMMUNITY WIDE YARD SALE - 55+ Del Webb Community off of Trevanion Rd, just east of Antrim Blvd. Saturday, April 27th 9:00am-2:00pm.

Happy New Year from The Taneytown Chamber of Commerce. I know we are into the third month of 2019 but this is our first opportunity to extend good wishes to you and your family. We hope you have had a good start to this year and wish you good luck, good health and good fortune and prosperity for the remainder of 2019 and beyond.

Now we need to address some upcoming events. The first big event for this year will be Friday night, May 10th, at Pleasant Valley Fire Hall. Our annual Cash Bingo with $3,400 in Prize Money will go to our lucky winners that evening. The doors open at 5:30 p.m. with the games beginning at 7:00 p.m. There will be other games and prizes available that evening. Tickets can be purchased at NWSB Bank, The Liquor Barn and Taney Service Center all located in Taneytown or by calling Bob Miller (443) 789-7035. Come out and enjoy some fun and help us raise funds for Scholarships at both Francis Scott Key H.S. and Silver Oak Academy.

Other upcoming events involve meetings, mixers and Community Festivals. The first event will be a general membership meeting on April 16th at 6:00 p.m. This will be held at Eazy Does It.

(Continued on page 26)
TANEYTOWN CREAMERY, THE FORGOTTEN HISTORY

by David Bue

Can Taneytown residents be optimistic about the rejuvenation of the old Creamery building located behind the Police Station in Taneytown? At a meeting with the City Council on September 25, 2018, the Taneytown Lions Club threw its support behind the idea. Let’s take a look at the little-known history of this building that has played an essential role in the economic and social history of the town.

Planning for the “Taneytown Creamery” began in the early 1890s. Westminster’s Democratic Advocate of January 9, 1892, reported in its Taneytown Items that “The creamery enterprise is to be started shortly. The foundation for the building has already been dug, and as soon as the weather permits the work of the building will be commenced.” By 1894 the Creamery was fully operational and continued until a devastating explosion on April 30, 1897, broke the separator into hundreds of pieces and destroyed several of the large flywheels while Charles Rice was working at the plant. The equipment was repaired, and business resumed.

In 1901 the Hanover (PA) Creamery Company began renting the Taneytown plant, promising to provide improvements that would place it in “the first-rate condition,” but adding “no butter will be made there as the cream will be shipped back to Hanover.” After six years of successful operation, another blow was dealt to the Creamery. This time it was a fire on August 13, 1907, that heavily damaged the building and destroyed the contents. No cause was ever determined.

The remains of the building probably sat empty until 1913 when a $4,000 loan from the Peoples Bank of Hanover allowed Hanover Creamery to begin reconstruction under a contract with the architectural firm of I.M. Myers. Machinery salvaged from the dismantled Old York Road Creamery outside Hanover was forwarded to Taneytown for installation, and by late 1913 or early 1914, the Hanover Creamery Company was back in operation. This time it was not only a creamery but also an ice factory and cold storage plant. Condensed milk, ice cream, and butter were sent by train back to Hanover and on to Washington, D.C., for distribution. Interstate Commission reports from 1913 until April 1925 verify these facts.

In 1927 ownership of the Creamery building passed from the Hanover Creamery Company to the Fairfield-Western Maryland Dairy which operated it until 1938 when the Maryland State Board of Health required an upgrade to equipment at the plant. Fairfield-Western Maryland did not believe it could invest the money needed for the upgrade due to a decline in its dairy processing, so discussion of closing the Creamery began.

An exact date for closure is uncertain, but on October 4, 1944, the property containing the Creamery was sold to Merwyn C. and Viola C. Fuss with the stipulation that “the subject property may not be used in the dairy, creamery, or milk business.” John and Oneida Fuss Skiles acquired the property from Mr. and Mrs. Fuss in 1975, transferring it to the Taneytown Jaycees in 1987 to replace their “haunted barn” that had burned a year earlier. The City of Taneytown has owned the building since 2006, but it has stood vacant since 2001.

The Taneytown Record Page 8 APRIL/MAY 2019
KEYSVILLE MOBILE VET NOW OFFERS IN-HOME LASER THERAPY FOR PETS

Do you have a pet with back or neck pain, arthritis, recent orthopedic surgery or injury? Or perhaps your cat or dog has a bad ear, skin or anal gland infection that just doesn't get better with medication. Keysville Mobile Veterinary Services, LLC now offers in home laser therapy to help with these and other issues.

What is laser therapy? Laser therapy uses light energy to improve blood circulation in injured or damaged tissues and to activate the body’s own healing capabilities without using medications. There are many chemical and physical reactions that occur in response to different wavelengths of light. Acupuncture points are also stimulated by laser light. Thus, we can get some of the positive benefits of acupuncture while using the laser unit as well. Most medications can be used along with laser therapy if needed.

What conditions can laser therapy treat? Using our multimodal laser units, we can provide pain relief and improved blood flow and healing to areas of the body affected by pinched nerves (back or neck pain) and osteoarthritis. Lasers can also help with injuries, such as ligament or tendon tears, blunt trauma, or after orthopedic surgeries. We have also had success treating skin and ear infections thanks to the blue light mode on our main unit. Blue light therapy has been shown to clear MRSA infections in people and is helpful for resistant infections in cats and dogs as well. Anal gland infections in cats and dogs and urinary tract inflammation in cats can also be treated with laser therapy.

How is this laser therapy system different than most other hospital systems? Our Multi Radiance Medical laser system uses rapidly pulsed light energy (super-pulsing) from several different wavelengths in alternating cycles. Super-pulsing prevents overheating of the skin and fur, which can be damaging. Using multiple wavelengths of light stimulates multiple chemical and physiological pathways of healing all at once. Most veterinary units use one wavelength of light in continuous fashion (not pulsed).

Our laser units are graded Class I, which is the highest safety rating there is for lasers, making them safe for clients to use at home. Most hospitals have Class IV units which require humans and pets to wear special goggles to protect the eyes from radiation damage, and much care must be taken to avoid overheating the skin. And best of all, we have very simple, easy to use units that resemble a flashlight. We teach owners how to use the units on their own pets. Then we rent out the units on a weekly basis for patients that need ongoing pain relief.

You can treat your pet daily in the comfort of your home when it’s convenient for you, rather than taking your pet to a hospital for multiple treatments per week over several weeks.

Will my pet like laser therapy? Most pets become very relaxed and enjoy the laser therapy. “Prince” even threw a fit one night when he did not get his therapy!

How do I find out if laser therapy would be good for my pet? Please call Keysville Mobile Vet at 443-340-5080, email us at keysvillemobilevet@gmail.com or visit our website at KeysvilleMobileVet.com to request a house call consultation and find out if laser therapy is a good option for your cat or dog.

TANEYTOWN HERITAGE & MUSEUM ASSOCIATION, INC.
2019 EXHIBIT APRIL 7th - WORLD WAR II IMPACTS HOMETOWN

The featured exhibit at the Taneytown History Museum, “World War II Impacts Hometown” will officially open April 7, 2019 at 1 pm. The exhibit committee has been busy over the past months speaking with veterans, residents, family members, who remember how that conflict affected the local community. Many citizens of today are not familiar with the effects World War II had on Taneytown and the surrounding communities. This exhibit reflects what times were like in the local communities during World War II. The contributions of the local businesses and citizens, as well as the veterans will be recognized.

During World War II there were “black outs” at night time, curtains had to be closed so no light shined through. There were POW’s working on family farms. Citizens experienced rationing of gas, clothing, food, etc. Factories had contracts with the government to produce goods. Newspapers, tin foil, scrap metal had to be collected for the war effort. These are just some of what will be featured in the exhibit.

The museum thanks the many local families who have loaned family items and memorabilia for this exhibit. Without their contributions the museum would not be able to share this very special exhibit with the community. The museum will be open on Fridays from 10 am to 1 pm and Saturdays and Sundays from 1 to 4 pm excluding holidays. Group tours can be arranged by calling 443-918-8687.

2019 Spring Program
Monday, April 22 is the T.H.M.A. Meeting which will feature Rick Herrick who will talk about caning chairs. He has been caning chairs for about 15 years and has been at the Carroll County Farm Museum 10 years demonstrating the art of caning, the different materials that can be used and the equipment needed. He will explain the early use of caned chairs in homes and bring several types of caned chairs and notably a Slaugenthaupt rocker made in Taneytown. He will talk about the difference of styles and patterns of cane and rush seats.

The meeting will be held at 7 pm at Grace United Church of Christ, Parish Hall, 49 W. Baltimore Street, Taneytown, Md. Handicap parking and entrance is available on Cemetery Road. Following a short business meeting the guest speaker will be featured. Meetings are free and open to the public. Light refreshments are served following the program.

The final spring THMA meeting will be held May 20 at Grace United Church of Christ. Guest speaker TBA.

New Items in Gift Shop
The 2019 ornament, 12th in a series is "Taneytown Theatre". The history of the theatre is included on the back, and the cost remains at $12.00. A new item this year will be key chains. The design will be a house to represent the museum. Museum information will be reflected on both sides. Prices to follow.

The Amish hand made brooms are available in eight different styles and sizes along with a cake tester with or without a plaque. Brooms may be purchased at Crouse Ford, Wantz Chevrolet and the History Museum. History books, wooden toys, sock monkeys, throws, and ornaments from 2008-2019 will be available for sale on April 7th. For a list of our gift shop items, visit museum web site www.taneytownhh.org

Taneytown Memories
The museum staff is available to record videos of your memories of the early years living in or around Taneytown. Contact Peggy Keeney at 410-346-7009. Completed videos have been included on the Community Media Center web site

(Continued on page 12)
Hello, it’s Shelby with Antrim Veterinary Hospital. As summer is approaching, we are taking our pets on walks, vacation, and swimming. While being outdoors is so peaceful we need to keep in mind the dangers that it can possess. For instance, there is an organism called Leptospirosis that can infect both humans and animals. This organism, known as Lepto for short, is a bacterium that is spread through contaminated urine. It can survive for weeks to months in soil and surface waters such as lakes, streams, rivers, and puddles. The scary part is that it is a zoonotic disease meaning it can be transmitted to different species including humans.

Lepto is a bacterium that is spread through urine of an infected animal/human. You can be exposed to it through drinking, swimming, or walking in/through contaminated water or by handling infected urine. When you come in contact with the water the bacterium gets absorbed through your eyes, nose, mouth, and small breaks in the skin. It takes about 4-12 days to show symptoms of Lepto after being exposed but it is possible that you will not show any symptoms.

Domestic animals, rodents, raccoons, skunks, opossums, cattle, swine, and humans can all be infected with Lepto and can spread Lepto. Lepto affects 100-200 humans annually and the symptoms are those of the flu. However, in pets’ symptoms can include fever, weight loss, vomiting, dehydrating, abdominal pain, jaundice and if left untreated, Lepto can cause kidney and liver failure, fever, jaun-
GEM CUPCAKE FUNDRAISER

What can be better than delicious cupcakes and a chance to win gems? It’s time for FSK’s 6th Annual Gem Cupcake Fundraiser sponsored by DK Jewelers and Stone House Cakery and Cafe. The cost is $5 per cupcake or 5 cupcakes for $20. One in every four cupcakes contains a gemstone and the grand prize is a 1/2 carat diamond necklace. Tickets are sold throughout April and early May and can be redeemed for cupcakes at DK Jewelers in Westminster during their regular business hours from May 8th-11th. This year’s choice of flavors are vanilla, chocolate, red velvet and almond raspberry. These delicious cupcakes make a great sweet treat (and possible surprise!) for Mother’s Day!! This annual fundraiser benefits the FSK Advisory Council and Academic Boosters. This group supports the school’s annual Veteran’s Day breakfast, the FSK Character Education Program and awards scholarships to help students who take Advanced Placement (AP) exams each year.

Contact: Michelle Brilhart, mdbrilh@carrollk12.org or Sue Hook, smhook@carrollk12.org

(Continued from page 10)

www.carrollmediacenter.org - scroll to Carroll History Project, then go to Taneytown and make a selection. Some of the selections are Rainbow Roller Rink, Lois Ann Smith, George Naylor, Jim Fair, Donald Lawyer, and Roger Eyler. Other videos pending to be included on the web site are of Sauble’s Inn and Jean Brown. You may also view the videos at the museum by contacting Fairy Flickinger at 410-756-2245.

Some of our THMA speakers have been recorded by Linda Zimmerman. Linda and her sister Jean Tracey are transferring these to DVDs, so they will be available for viewing. TBA when these will be available.

Volunteers

We are always looking for additional volunteers to help at the museum. If interested in volunteering or if you have questions about being a volunteer please call Pam Reed at 410-984-2427.

Upcoming Dates/Events

Hudson Day will be held on June 15th. The Hudson cars and their owners are usually at the museum from 10 am to 2 pm. The museum will be open until 4 pm. We are expecting several old Hudson cars to spend the day with us and also Hudson accessories will be on display in the garage.

July 13th World War II impacts Hometown we will have a Celebration Day. More information TBA.

Church News

EMMANUEL (BAUST) UNITED CHURCH OF CHRIST

Emmanuel (Baust) United Church of Christ continues their Lenten Bible study on Thursday evenings in the church parsonage at 6PM. The hour long session begins with soup and bread. The course, entitled “Renegade Gospel,” looks at Jesus in a revolutionary way, following the thesis, “Jesus didn’t come to start a religion; the rebel Jesus came with a renegade gospel to start a revolution.” The last session in this series will be April 11.

The church will have a Maundy Thursday service on Thurs, April 18 at 6PM. The service will feature roast pork as part of a Christian Sedar Meal. For more info contact the church office.

A Community Sunrise Service will be held on April 21 at 6AM. The service will be held at the top of the cemetery hill. A light continental breakfast will be held in the Parish Hall at the conclusion of the service.

The Annual Spring Tea will be Sat., May 18 in the Parish Hall. There will be two seatings 11AM and 1:30PM. Menu includes; Hot and Iced tea, chilled soup, salad, assorted muffins and scones with clotted cream, assorted finger sandwiches, fruit, and sweets. Price for age 12 and up - $20 and age 5 to 11 - $10. For reservations please call 410-756-4152 and leave a message or email o3in4dy@yahoo.com. Seating is limited, reserve early! Deadline for reservations is May 14.

The “On the Road” travel group will be going to see Elva Hurst’s Chalk Talk in Lititz, Pa on May 21. Cost of the Talk is $12. We will go to a local restaurant for dinner. Anyone interested in attending can call Sandy at 410-857-0416 or email sandys46@netscape.com by May 14.

The Annual Spring Rummage (Clothing) and Used Book Sale will be Fri. April 26 from 8AM-5PM and Sat. April 27 from 9AM-2PM. Gently used clothing from infant to adult clothing will be for sale at a price of $5.00 or $1.00. Paperback and hardback books (many in excellent condition) will be for sale at $5.00. All proceeds benefit SOCK (Supporting Our Community Kids mission program). We donate 100% of the proceeds to local schools- Elmer Wolfe, Runnymede and Taneytown Elementary Schools, Northwest Middle School, Francis Scott Key High School, Carroll Springs, Hoffman Homes and Silver Oak Academy to be used to help students who need assistance with school supplies or personal needs. Food available for purchase. To donate or for sale info please contact Susie Lawrence at slawr@hotmail.com or call 410-984-2780.

A Paint Night will be held May 10 in the Parish Hall at 7PM. Cost will be $35. Instructors will guide you through a seasonal picture. Light refreshments will be available. For more info contact Sandy at 410-857-0416 or sandys46@netscape.com.

The church is located at 2950 Old Taneytown Rd in Tyrone. Sunday Worship is at 10AM. For more info email — office@ebucc.com or 410-751-1237.

MONSIGNOR MARTIN FEILD AWARDED THE KELLEY MEDAL
Monsignor Martin Feild, Pastor Emeritus of St. Joseph’s Roman Catholic Church in Taneytown and a member of the Class of 1951 at Loyola High School, was awarded the Kelley Medal at a March 14th Award Ceremony at Loyola High School in Towson. Named in honor of Rev. Joseph M. Kelley, S.J., the Kelley Medal recognizes an alumnus who is outstanding by reason of distinction gained in business, profession, or by his outstanding participation in ecclesiastical or civic affairs. In addition, alumnus is recognized for how his personal, family and public life serves as a role model and example to the students and graduates of Loyola Blakefield.

GRACE UNITED CHURCH OF CHRIST BASKET, BAGS & CASH BINGO FUNDRAISER
Grace United Church of Christ (GUCC) is announcing a Basket, Bags & Cash Bingo. GUCC would like to thank the community for their support of the past bingsos. Community participation helps to support the Taneytown Food Bank as well as the raffles which support the Grace UCC and other Local Community Projects. As in past Bingos, attendees who bring one canned good for the Taneytown Food Bank will receive a FREE Senior Jackpot Card (limit one per person). ALL PRIZES ARE FILLED! The Bingo will be held Friday, April 12, 2019 at the Taneytown Firemen’s Activities Building located at 49 Memorial Drive in Taneytown, Maryland. Doors open at 5:30 pm and games start at 7:00 PM. Tickets are $15 in advance and $18 at the door. Every seat requires a ticket. There will be food available for purchase. Games feature Longaberger baskets, Coach, Michael Kors, 31 bags and TEN $50 Cash Games as prizes and include Junior and Senior Jackpot games, door prizes and 50/50 Raffles. There is limited seating so please reserve early by calling Michelle at 410-756-2898 or Joan at 410-756-2043. GUCC is also looking for students to help with the bingo in return for community service hours. If interested in community service hours please call (410) 756-2302 by April 5, 2019.

MREC ANNOUNCES NEW BOARD MEMBER

Executive Director Amy Gilford of the Marriage and Relationship Education Center (MREC) and her Board of Directors welcome to the board Danielle C. Brown of Owings Mills, Maryland.

An inspirational and engaged leader, Danielle has 12 years of sales and management experience under her belt and a track record of results in leadership and advancement in a Fortune 500 environment. She's a coach, culture driver, diversity champion and a people focused leader.

"We are thrilled that Danielle will be bringing her expertise and passion to the cause of strengthening families in our community," said Gilford.

Danielle graduated from Clark Atlanta University, Magna Cum Laude with a BA in communications. At General Mills, she managed a 20-million-dollar annual budget, coordinated store events to enhance brand loyalty, was responsible for the development and motivation of direct reports, and was a major driver for profitable growth. As a member of the Mix Church in Baltimore, Maryland, she participates in many charitable outreach programs, including Feeding the Homeless. She's a member of Delta Sigma Theta Sorority Incorporated.

MREC is a faith-based nonprofit, established in 2004 and located in the Carroll Nonprofit Center in Westminster. Their mission is to serve the community with relationship education so marriages and families thrive. MREC offers high-impact relationship skills programs and supports couples to strengthen their relationships through workshops, classes and one-on-one counseling.

TRI-DISTRICT REPUBLICAN CLUB HITS THE ISSUES

"Five years ago, the state assessed homes at 91-92% of fair-market value; Now, according to high level SDAT official, SDAT is assessing at 95-98% of fair-market value.

This was a hidden assessment increase of about 5% (on top of higher property values). This caused assessments to increase at a faster rate than property values, and hurts Maryland taxpayers," says Commissioner Rothschild.

These type issues are discussed at the Tri-District Republican Club the last Monday of the month at Flick's Pub! 6:15PM Dinner and Program 7PM. Learn in April the damage done by legislation passed in Annapolis President Ron Albin 301-922-9327

OUR SERVICE IS FAST AND FRIENDLY
WE ACCEPT CASH, CHECKS & CREDIT CARDS

Terry’s Tag and Title Service is pleased to welcome Neil Saffran as the new manager of our Taneytown office. A well-established business with five locations in Carroll County, Terry’s Tag and Title provides fast, friendly tag and title services for the general public - without the hassle of the MVA!

Neil’s ten year background in insurance sales and compliance brings an even higher level of “one stop shopping” to our newest location. In addition to providing tag and title services, Neil specializes in providing home, auto, motorcycle, boat and life insurance. Not only will he provide a free quote, he offers a $20 gift card to anyone who provides the Declarations Page of their current policy for comparison.

Terry’s Tag and Title Service is located within the Barnes Drager Insurance/Erie Insurance office at 464 E. BALTIMORE STREET IN TANEYTOWN, MD 21787
Business hours are 9:00 am to 5:00 pm Monday - Friday.

CHAMBER NEWS
(Continued from page 7)

It Bar & Grille, while it is partly a business meeting, the public is invited. There will be a $10 charge to help cover the cost of refreshments. The next two events are networking mixers, open to everyone. They run from 5 to 7 p.m and are a more fluid evening. Bring your business cards and enjoy light refreshments and great conversation. These two events will be May 8th, held at George’s on York Bed & Breakfast, hosted by Outsourcs, LLC and owner Al Betz and the second one is on June 12th at Taney Service Center, 94 York St., with owners Erich and Faith Bender and hosted by “Oscar the Wonder Dog”.

The final event, on which you will be hearing much more later, is the Taneytown Wine Festival being held at Memorial Park on Sat. June 15th from 11:00 a.m. until 4:00 p.m. Wine tasting, quality vendors, food, music and great friends to enjoy.

Hopefully you can attend one or all of these events and enjoy with your family and friends the wonderful community that is Taneytown.

Hale Photo ServicesSM, LLC (HPS), and its subsidiary, UAVS photos, has been created to meet the growing demand for commercial and aerial photography enabled by Unmanned Aerial Vehicles (UAVs) – a.k.a. “drones”. Never before has aerial photography been so available on short term notice and at affordable rates. No more need for expensive airplane and helicopter photography.

Less exciting but also still needed – earthbound photography of just about anything is also available at very competitive rates. HPS offers a full array cameras and the latest in technology for conventional still photos and videos to enhance your subject matter and help you make the best first impression possible with your advertising materials.

To obtain the full story about this exciting new service, visit: www.halephotoservices.com, or contact John Hale at (301) 310-3345 – johnh@johnphale.com

CAUTION: Using an Unmanned Aerial Vehicle (a.k.a. “drone”) for photographing anything for commercial purposes without a license and not following appropriate regulations is a violation of federal law. Drone pilots taking photos and/or videos for business purposes must be licensed by the FAA as a pilot in accordance with 14 CFR Part 107 (8/29/16).
