This summer has already been one to remember for us in Taneytown. We have celebrated the opening of five new businesses; Floral Fetes, incredible Flora-

ral Arrangements, Gifts, & Art, located across from City Hall; Bollinger Gunsmithing, on West Baltimore Street, (grand opening on the same day 6/14, we had a Guns & Roses event), EZ Does It Bar & Grill, (Old Gunner’s Grill location) Georges on York Street, Bed & Break-

fast, and Common Grounds on the downtown Square. We are not finished yet! More new businesses are expected before the first frost! Stay TUNED! That’s just the business side of things. We had a very successful Wine & Music Festival with five local vintners, a distiller and some great food. On July 21st, we welcomed back the Nautical Wheelers Band, Maryland’s premier beach band, to Memorial Park I know all you Parrotheads were out in force! I am sorry I missed it! An incredible Festival of arts, the inaugural Taneytown Terrier Trials, featured Taneytown’s own “Oscar the Wonder Dog” and Jack Russell Terriers from far and wide. Also, I attended, on the same day another remarkable event. It was the 120th annual Hill-Cook family reunion. The Hill-Cook families have been part of the fabric of our community since almost its beginning. This family has contributed, for generations and in immeasurable ways and have help build (quite literally) our town into what it is today. It was a humbling experience to

YARD WASTE
Public Works Department picks up grass clippings on Tuesdays. You must call the City Office no later than 3 p.m. Monday to schedule for pick up the next day. Currently there are no charges to Carroll County residents for disposal of yard waste, at the County Landfill in Westminster (410) 386-4550; • Please place your bags at the curb by 7:30 a.m., the morning of pick up.
• Yard waste must be placed in paper or Kraft bags only. Any yard waste that is placed in plastic bags will not be collected.
• Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakdown.
• This service is limited to grass clippings, flower & shrubbery trimmings only. Please do not dispose of dirt, sod, thistle, or household garbage.

STORM WATER INLETS
Please do not sweep or blow grass and debris into the street. This practice can block downstream storm water inlet grates and pipes causing storm water to backup into the street, creating flooding conditions. Also, please report anyone seen dumping materials into the storm water drainage system, by contacting the Taneytown Police Department (410-751-1150) or the City Office (410-751-1100). It could be contaminating our environment.

WATER, SEWER, & STREET EMERGENCIES
The Department of Public Works (DPW) is available 24/7 to address after-hour water, sewer, & street emergencies. To report a problem:
1. Call the City Office
2. Follow the voice prompts and leave your name, phone number, and a brief message.
3. Your message will be forwarded to the DPW.

Calls concerning water shut-off for nonpayment of water and sewer bills cannot be handled by the DPW after-hours. You must take care of this issue during normal business hours, Monday through Friday, 8 AM to 4:30 PM.
MAYOR'S MESSAGE
(Continued from page 1)
meet these folks who came from as far away as Georgia, and to be able to talk with generations that have been coming to Taneytown each "First Saturday in July", since 1898! They have been meeting in our Memorial Park since its inception. What a tribute to the American family and to those values that seem so threatened, today. I was happy to proclaim Saturday, July 7th as Hill-Cook day in Taneytown.

In an unusual move Council voted to recess for the month of July. Our workshop date fell on July 4th and with various vacations already planned, another suitable date could not be found. Our agenda would have been light, anyway. We will resume regular meetings in August (workshop Wednesday, 8/8 and regular Council Meeting Monday, 8/13). An item of particular concern that has arisen, is that a developer has requested permission to construct an apartment project for low income (subsidized) renters in the area of Harney Rd & Westview Drive. When the MD Department of Housing & Community Development (DHCD) wrote me (the first notice I received on the matter) requesting my input as to whether or not we favored such a project, I took the idea before Council at the June meeting and Council unanimously agreed to reply that they felt Taneytown had enough low income rental units already. The project still could move forward simply because zoning for that area allows such projects, by special exception. This means that a Board of Zoning Appeals (BZA) meeting would have to be scheduled in order to receive input from residents pro and con. I am not sure at this point what will transpire in this regard, but I will make sure you are kept informed.

This issue’s history question comes from information I received while attending the Hill-Cook reunion. I mentioned that the families have been meeting for 120 consecutive years. The Hill family was instrumental (with other Taneytown citizens) in developing and constructing Taneytown Municipal Park, where they have been meeting each year since it’s opening.

The History Question: When did Taneytown Memorial Park first open?

Be the first school age person to answer the questions correctly by responding to my e-mail (jlmccarron@taneytown.org) and win a gift card and have your picture published in the next edition of the Taneytown Record. Remember, let me know what grade you are (going to be) in and where you attend school. GOOD LUCK!

REMEMBER
TANEYTOWN IS KNOWN FOR ITS BEAUTIFUL PARKS AND WALKWAYS WHERE PEOPLE LIKE TO TAKE THEIR PETS.

THE CITY OFFICE HAS RECEIVED A NUMBER OF CALLS FROM RESIDENTS WHO ARE FINDING ANIMAL FECES IN THEIR YARD AND ON SIDEWALKS.

PLEASE TAKE A BAGGIE AND SCOOPER WITH YOU WHEN YOU WALK YOUR PET. PICK UP AND PLACE IN YOUR BAGGY.

THANK YOU FOR TAKING THE TIME TO BE KIND.
There is currently a vacant position on the Parks and Recreation Advisory Board for the City of Taneytown. Any City of Taneytown resident that would be interested in filling this position is asked to contact Bob Mitchell, Parks and Recreation Director at 410-751-1100 or submit a brief letter of interest to rsmitchell@taneytown.org.

Volunteers John Stottlemeier and Bob Neugebauer built four wooden planters that are being placed at the four buildings at the square.
CODE REMINDERS REGARDING ANIMALS WITHIN TANEYTOWN CITY LIMITS

During the warmer months, as people spend more time outdoors, complaints regarding animals tend to become more frequent. The following information concerns frequently asked questions and common complaints we hear at the City office regarding animals.

The City does not have a noise ordinance that covers things like barking dogs. Dogs that bark “unreasonably so as to disturb neighbors in the community”, or dogs are not either confined to the owner’s property or on a lead when beyond that property, are addressed through the County Animal Control Code, which the City has adopted. The Animal Control department of the Humane Society is the enforcement authority for that code, so complaints about animals should be directed to the Humane Society of Carroll County at (410) 848-4810. The animal control code also states that the owner of an animal is responsible for “removal of excreta deposited by the animal on public property, including walks, recreation areas, or on private property”, so if you’re a pet owner walking your dog or other pet, make sure you take along something to enable you to clean up after your animal. If you see someone repeatedly allowing their animal to “go” on the sidewalk or your lawn, without cleaning up after it, please contact the Humane Society.

The Animal Control Code also requires dog owners to obtain a license for their dog(s). While elsewhere in Carroll County, individuals may apply to the County Zoning Administrator or County Board of Zoning Appeals for a dog fanciers, kennel license. Within the City limits, zoning code does not authorize such kennels. The animal control code requires a kennel license for premises that keep more than three adult dogs; so within the City limits, three adult dogs is the limit.

We’re often asked if chickens are permitted within the City limits. While the animal control code defines wild animals, exotic animals, feral cats, plus public nuisance and vicious animals; it does not categorize animals into what might be considered appropriate realms like urban, suburban, or rural in terms of listing what you can own and where (and I’m not suggesting that it should). City code, however, prohibits “animal husbandry” within the City. While there has been a growing interest in backyard flocks, keeping of poultry does fall under animal husbandry, so when the question arises, we advise against bringing chickens into the City. The Mayor and Council discussed the idea of permitting backyard flocks a few years ago and decided that the prohibition of animal husbandry should remain in effect. They also decided some clarifying language could be developed to help residents avoid any confusion. A comprehensive review and update of City Code has been discussed and deemed necessary, and that effort should begin in the few couple of months. Clarification on animals like chickens will likely be a part of that update.

The Animal Control Code is available on the Carroll County website (http://ccgovernment.carr.org/ccg/) by clicking on “County Code” from the County’s home page. Information regarding animals may be found in Chapter 90, Animals.

Greetings from the Taneytown Chamber of Commerce. As I write this we are “enjoying” the typical hot, humid, take your breath away Maryland Summer. Due to the papers coverage time (August/September) I will be addressing events upcoming for the beginning of Fall.

Primarily we are looking forward to our 10th Annual Barnyard Bingo. We will once again hold the event in conjunction with Taneytown Harvestfest 2018. Both events will be held side by side, located at Memorial Park on October 6, 2018. Harvestfest will have craft vendors with a wide variety of unique items for your browsing and buying pleasure. There will be food trucks available to satisfy your appetite from the browsing and buying with a wide range of onsite prepared food. Our part of the “entertainment” begins at 1:00 p.m. when the cow is “introduced to the field”. She will continue to roam our playing field until the “urge” strikes her and she stops, raises her tail and does what comes naturally. We then enter the field to determine the “Winning Square” and someone will win the grand prize of $800; the 4 side squares will each win $100 and the 4 corner squares will win $25 each. In the end we will award 9 winners a total of $1,300.

Tickets are $5.00 each and are available at NWSB Bank, The Liquor Barn and Taney Service Center in Taneytown. In Westminster you may purchase tickets at the Carroll County Chamber of Commerce office on Main St. and B & E Automotive Service on John St. Or you may call (443) 789-7035 to arrange for your ticket purchases. Tickets must be purchased by Saturday, September 29.

Proceeds from this year’s bingo will go to the FSK Veterans Breakfast and the Taneytown History Museum. The museum is in need of adding yearbooks of Francis Scott Key High School. The museum is specifically in need of Francis Scott Key High School yearbooks from the years of 1960 to 1980, 1991 and 1999 to the present. Katt Ritchie, a student at Carroll Community College who is studying to become a social worker after she graduates in 2019, has been named a 2018 Newman Civic Fellow. Ritchie was nominated by College President Dr. James D. Ball for the 2018 Newman Civic Fellowship, a program conducted by Campus Compact. The 26-year-old Westminster resident plans to attend UMBC after she graduates, and will major in Social Work and minor in Sociology. She aspires to obtain a Masters Degree one day and eventually work in the Behavioral Health profession.

Ritchie has been recognized for outstanding college student leadership and community service. Persevering though personal struggles that have challenged her, Ritchie has developed a sense of empathy towards those she will one day assist. She demonstrates a proficiency for working with programs which serve others, as an avid volunteer. She is also a strong student academically, while working two paid part-time jobs.

The prestigious designation makes Ritchie one of 268 community-minded students representing Campus Compact member colleges and universities from 40 states, Washington, D.C., Mexico and Greece. Campus Compact is a national organization that advances the public purpose of over 1,000 colleges and universities by deepening their ability to improve community life and to educate students for civic and social responsibility.

Ritchie will have access to exclusive virtual and in-person learning opportunities during the 2018-2019 academic year for the duration of the one-year fellowship term. She is also invited to attend the 2018 Newman Civic Fellowship Conference in Boston this November.

"Congratulations to Katt are indeed in order!," said Ball. "Our College faculty, staff and administration think very highly of Katt. Her passion for learning, leadership and making a difference in the lives of others have greatly impacted Carroll Community College and our local community."

"Receiving the Newman Civic Fellowship was a complete surprise! I strive to live my life with passion, integrity, humility and to help all of those around me. I feel called to be an advocate, a servant and a hand up for those who are struggling in any way," said Ritchie. "My time here at Carroll has allowed me to flourish and to build connections with the community that allow me to have a wider reach within my civic engagement."

Heather Ryan Diehl, coordinator of Experiential Learning and Student Organizations, said, "Katt has a contagious passion to improve the Carroll County community and the people who live here. She is a natural-born leader who calls us to action to fight for access and equality, and to love others who are often overlooked. There is no one more deserving than her for this prestigious recognition."

Ritchie is active participant in the colleges comprehensive leadership program, titled "Leadership Challenge." She has participated in activities devoted to self-discovery, leadership theory, and seminars and workshops that help students develop their leadership potential and hone effective leadership behavior. As a member of the Student Government Organization, she has spearheaded the development of numerous College activities and events that benefit both the internal and external community. Ritchie has volunteered countless hours at the Human Services Programs Family Center, as well as Carroll County’s Family and Children’s Services. Both organizations provide local families and children with social services that focus on prevention, intervention, counseling and advocacy.

She has also served as president of the Service-Learning club, one of the most active student organizations. She has coordinated on and off-campus opportunities for student peers, including holiday cards for veterans, blankets for cancer patients at the local hospital, and trips to the local Cold Weather homeless shelter. She coordinated "Socktober," an on-campus drive that provided many pairs of socks to the Community Action Agency. She planned and implemented a beauty supply drive that delivered make-up and hygiene products to women in the county Domestic Violence Safe House.

"Through my journey of service, I have come to understand how one person, fueled by love for those around them, can truly make a difference," said Ritchie.

In April, 2017 Kathryn Berling, Media Specialist at the Taneytown Elementary School reached out to the Taneytown Lions to see if they would be willing to build a “Little Free Pantry”. The food pantry would sit near the school next to a similar “Little Free Library” that the school was providing. The club members agreed to take on the project and the pantry unit was built and installed in early December. Since that time the pantry has been in active use by the community. A sign on the pantry says “Take as you need - Give as you can”. Many from the community are voluntarily stocking the pantry. While there are several food pantries available in the community, the thought behind a free standing outside unit was to make food available and readily accessible for families in need at all hours. The Lions motto is “We Serve” and the club was pleased to give back to the community in this way.

FRANCIS SCOTT KEY FFA ALUMNI AWARDED AMERICA’S FARMERS GROW COMMUNITIES DONATION FROM LOCAL TANEYTOWN FARMER

Each year, the America's Farmers Grow Communities program partners with local farmers to provide grants to local nonprofits.

Grow Communities, which is sponsored by the Monsanto Fund, provides farmers the opportunity to support and give back to nonprofit organizations they care about in their local communities by enrolling for a chance to direct a $2,500 donation to a nonprofit of their choice. Since 2010, the Grow Communities program has given more than $29 million to nonprofits across rural America.

Carroll County farmer, Bill Rasche of Rasche Brothers Farms, Inc., directed a $2,500 donation to the Francis Scott Key FFA Alumni as part of the America's Farmers Grow Communities program, sponsored by the Monsanto Fund. As part of their mission the Francis Scott Key FFA Alumni will use the funds from the grant to support the FFA members from Francis Scott Key in various leadership and advocacy activities including participating in Career Development Events and opportunities to meet with legislators for the promotion of agriculture education. "Bill Rasche and his family have been supporters of the Francis Scott Key Agriculture program and FFA for many years. We truly appreciate his nomination for the Monsanto grant," said Joe Linthicum, Francis Scott Key FFA Alumni life member, and former Agriculture Education teacher/FFA Advisor for Francis Scott Key High School.

Since the program began in 2010, the Grow Communities program has partnered with farmers to support nonprofit organizations important to them in their local communities. The program has given more than $29 million to farming communities since its inception.

**FOREVER BEYOND A BROKEN HEART**

The bond between a human and their pet is very special. No one understands us and accepts us like they do. They are there with wagging tails when we get home and when we are sad they are next to us to comfort us and lick our tears away. So, what happens when it comes time that they are no longer there?

Our pets are not just pets. They are our companions, our protectors, our therapists, sometimes even an alarm clock. They give us purpose and meaning. Losing our pets can leave an emptiness within us whether the choice was euthanasia, an unexpected loss, or a traumatic experience.

The most difficult decision we can make for our pet is to euthanize. This is not a decision that comes easily. It takes a lot of time, consideration, and emotions to make that decision. You may feel guilt in not being able to do more for your pet.

Grief occurs on many different levels. These levels include physical, intellectual, emotional, social, and spiritual. You will always miss your best friend and feel sad and this is normal. There is no set time frame on when and how you should grieve. To cope with these feelings, you can take a personal day off of work, surround yourself with supportive peers, and do something to remember your pet. You may find peace in planting a memorial plant, flower, or tree or perhaps making a scrapbook of your fondest memories of your pet.

Although our job as veterinary staff is to keep your pet as healthy and comfortable as long as possible we are also here to help you through that difficult time. There is no normal timetable for grieving and the choice to get another pet and when is completely up to you. Whether you need a friend, advice, or just someone to talk to, Antrim Veterinary Hospital is here for you. 410-751-0091.

ENJOY THE FALL LIKE A CUB SCOUT!

One of the things that parents value most about having their kids in scouts is the positive values they learn. Kids like that we do this through fun activities. You can do these things as a family, too.

• Teach being prepared by going on a day hike. Check the weather together before you go and talk about the right clothes and shoes to wear. Plan together how much food and water to bring according to how long you’ll be out. Discuss what to do if someone gets hurt or lost. While you’re out there, try an I spy game or a scavenger hunt.

• Teach trustworthiness by leading each other through a hay maze. Have one person close their eyes and everyone else tell them which way to go without touching each other. Then take turns. It’s harder than it seems!

If you want to do more of these kinds of things, consider joining cub scouts. Taneytown Pack #718 is for boys from kindergarten to fifth grade. We meet at the American Legion 9 Broad St., Taneytown, MD on Wednesdays at 7:00 pm from September to June. Contact us at taneytownpack718@gmail.com or drop into our open house on September 19th. We are recruiting new members and would love to hear from you!

OKTOBERFEST
2018

September 22 from 2:00-6:00 will be the time, and Trinity Evangelical Lutheran Church, 38 W. Baltimore Street in Taneytown will be the place to find German food, fellowship, and fun! Last year Trinity celebrated the 500th anniversary of the Protestant Reformation by holding its first Oktoberfest benefiting Habitat for Humanity of Carroll County. It was so much fun, it was decided to do it again this year.

For this second Oktoberfest, Mountain Gate Family Restaurant will provide a variety of delicious German and American foods such as Bratwurst, Bavarian Pork Loin, Fried Chicken, Spaetzle, other side dishes, and a dessert. Each buffet meal may be purchased for $15.00 in advance by visiting www.trinitytaneytown.org or purchased at the gate for $18.00. Tickets for children ages 6-12 will be $10.00 and those under age 6 will eat for free! German beer, a selection of sodas, and water will also be for sale. Make sure to buy your tickets in advance because we anticipate this event will sell out!

To help everyone get in the spirit of the day, live German music will fill the air, and if you come dressed in your favorite German attire you may win a prize as the best dressed! Games and contests for young and old are sure to entertain the crowd.

In the German tradition, there will be a Market consisting of local vendors selling their wares in the Bier Garten. Thanks to other local businesses for their support, as well, while we come together as a community on September 22. All proceeds from Oktoberfest will benefit the local Habitat for Humanity of Carroll County which plans to break ground in Taneytown next fall.

Trinity Lutheran Church remembers its roots when a small group of German Lutheran immigrants settled here in 1750. People in those days worked hard to gether to build the first barns and houses in this community. It is in that same spirit

EMMANUEL (BAUST) UNITED CHURCH

Emmanuel (Baust) United Church of Christ continues their summer series with the theme “Practices”. This Summer we are incorporating a video series called “Animate Practices” into our sermon portion of the service. Following the brief faith-related video, we will reflect and share on the topics expressed in the video as a congregation. The topic for Aug. 5 is Service “the needs right around us”. There will be hymn sings on July 29 and Sept 2.

The topic for Aug. 19 is Community - An Unexpected family. Summer Communion will be celebrated on Aug. 12. Worship is at 10AM each Sunday. The Mature Christian Group will meet Thurs. Aug. 2 at 11:30AM in the Parish Hall. Everyone is invited to attend.

Trinity chooses to support Habitat for Humanity of Carroll County as they continue to help others build their homes. Habitat for Humanity of Carroll County believes that every hard-working Carroll County family deserves the opportunity to own a home in our community and that homeownership should not be limited to wealthier families. They are currently working on a home renovation in Westminster, with a new family moving in by Thanksgiving. This hardworking family will put in over 250 hours of sweat equity, working alongside volunteers to transform their house into a home. In return, they will receive a 0% interest 30-year loan and will pay just $650.00 a month for their mortgage. The American dream of homeownership is still alive and well in our community. They’d like to build or renovate many more homes across the county, as the need for affordable housing is critical. Please come to enjoy Trinity’s second Oktoberfest and support Habitat for Humanity of Carroll County.

Don’t delay! Order your Oktoberfest tickets today! Bring your friends and buy a table for ten!

FROM PASSION TO PROFESSION

My name is Stephani Rickerd. I am the Owner/Groomer and Operator of Buddy’s Place. I decided to name my business after my childhood dog, “Buddy”. This was the dog that grew up with me and was also the face for my small town business I started at less than 14 years of age, providing dog walks, pet sitting and bathing. Once things were becoming successful in that I wanted to try grooming but didn’t know how or with who’s dog. So I saved my money and purchased a set of cheap dog grooming clippers and by the patience and kindness of my trusty neighbors, slowly I started to get the hang of it. As time went by I also picked up some opportunities to apprentice for professional dog groomers, followed by online dog grooming/business classes while continuing with the hands on. I took pet first aid classes and was also a Junior Handler for the Thurmont Ambulance Company’s, K-9.

FROM PASSION TO PROFESSION
(Continued from page 22)

Search and Rescue team, using my very own dog, Buddy! Along my journey to where I am today, I picked up jobs, working for kennels, trainers, shelters, rescues and finally a real career with Main Street Groomers in Taneytown, MD. I worked there for close to 5 wonderful years. To make a long story shorter, that brings me to where we are now, 52 East Baltimore Street, Taneytown MD, 21787 “Buddy’s Place”. My very own shop and life long dream come true!

Someone once told me, “Do what you love and you’ll never work a day in your life.” It’s safe to say that I love what I do. I understand that dogs can be hyper, shy, difficult, and down right naughty at times but after spending my entire life learning about not only dogs but their well being and unique personalities, I have yet to find one I am not crazy about. Which is why I am so excited to invite you to give Buddy’s Place a try. A place where you can relax, knowing your buddy is in good hands with someone who loves them like you do. Though this is now my profession, it has and always will be my passion.

Thank you for taking the time to learn about my journey, as it doesn’t stop here. Someday I would like to extend this business and include boarding and day care services in the future.

Looking forward to your business and gaining the trust of you and your loyal friend and companion at Buddy’s Place.

-Stephani Rickerd
