**MAYORS MESSAGE**

What is one to say about June, the time of perfect young summer, the fulfillment of the promise of the earlier months, and with as yet no sign to remind one that its fresh young beauty will ever fade.

Gertrude Jekyll

Greeting’s all and Happy Memorial Day, the unofficial beginning of summer. It won’t be long before the kids are out of school. Many have already graduated from college/university, excited to begin new lives and change the world. Summertime is a time full of picnics or maybe just a leisurely Sunday drive to explore the beautiful county that surrounds us. Summertime is a time full of hope and anticipation. In Taneytown we have ready begun. Saturday, (5/20) I was able to stop by our Roberts Mill Park and talk with many young anglers as they competed for an array of prizes at our annual Fishing Derby. After that, I was “off”

(Continued on page 4)

---

**NOTICE**

Beginning on July 1st 2017, there will be a significant change to your water-sewer bill. The City Council has voted to set a tiered late fee schedule.

- The first level of 5% penalty of the amount overdue, will occur between the 1st and 7th day, after the due date.
- The second level of 10% penalty of the amount overdue, will occur between the 8th and 14th day, after the due date.
- The third level of 15% penalty of the amount overdue, will occur on and after the 15th day, after the due date.
- Water shut-off will occur after the 22nd day of non-payment.

**MONTHLY PRE-PAYMENT PLAN**

Paying monthly on your water/sewer bill account continues to be an option for your household budget. Please be sure your account number is referenced at time of payment. All payments collected prior to the quarterly billing, will be reflected on your account with the net balance due. Any over payments, will remain on your account as a credit toward your next quarterly bill. If you want an annual average, please call the Water/Sewer Department at 410-751-1100.

---

**WATER/SEWER BILLS**

Water/Sewer bills will be issued July 1st, with a due date of July 31st, 2017. Any bill that has not been paid by the 31st, will be assessed a 5% late penalty fee; on August 8th, an additional 5% will be added to any unpaid balance and an additional 5% will then be added on August 16th, for any unpaid balance. After August 16th, a late Water/Sewer bill will be mailed to anyone with an outstanding balance and will be due by August 22nd, 2017. Water shut-off is scheduled after August 22nd, 2017. If water service is interrupted for non-payment, there will be an additional restoration fee of $30, to reconnect water service. Questions regarding your bill, can be directed to the Water/Sewer Department at 410-751-1100. Payment arrangements are available to Homeowners ONLY and must be made prior to August 16th, 2017. All approved payment arrangements will need to be paid on or before September 15th, 2017.

Reminder: We have new water/sewer bills. The bills are a pressured-sealed, folded 8.5 x 11 sheet. Payment Options:

- Stop by in person at the City Office, 17 East Baltimore Street, Monday through Friday, from 8 a.m. to 4:30 p.m.
- Drop your payment in our drop box located on the front of our building to the right, available 24/7.
- Mail your payment to our office, 17 East Baltimore St.
- Pay online at https://www.diversifiedbillpay.com/v1/taneytown or access the link from www.taneytown.org

A $3.00 convenience fee is charged and collected by processor for every $100.

**DEAR PROPERTY OWNERS:**

The City of Taneytown would like to take this opportunity to clarify our policy on estimated water bills. If the City does not get a radio read from your water meter (we do not need to enter your property to get this reading), the system will estimate your bill based on the previous three (3) quarters usage. There will be a water mark behind current reading/previous reading/consumption usage on your bill, stating Estimated Reading, if you have been estimated. If your bill has the Estimated Reading image, please contact the City office at 410-751-1100, immediately, so that we can schedule a time to physically check the meter, obtain an actual read and/or complete needed repair, so we can obtain future radio reads. This process should take approximately 10 - 15 minutes. All approved payment arrangements will need to be paid on or before September 15th, 2017.

**WATER AND SEWER RATES DECREASE**

Effective with the quarterly billing period beginning July 1st, 2017, water and sewer rates will decrease. The new rate will be reflected on the bill for the quarter ending September 2017. Please keep in mind that if final reads are requested after July 1st, 2017, the new rates will apply. The new water rate will be $7.25 per 1,000 gallons and the new sewer rate will be $14.24 per 1,000 gallons. If there is no usage at any residence or business, there is still a minimum water/sewer bill due in the amount of $36.49.

Taneytown

A REVIEW OF NEWS AND EVENTS

JUNE/JULY 2017

Issue #80

---

WATER/SEWER DEPARTMENT AT 410-751-1100.
PUBLIC WORKS DEPARTMENT

STREET SWEEPING
SCHEDULE:

MONDAY, JUNE 19, 2017
From 5AM to 10AM (no parking allowed):
• York, Frederick, East & West Baltimore Streets

MONDAY, JULY 17, 2017
From 5AM to 10AM (no parking allowed):
• York, Frederick, East & West Baltimore Streets

Vehicles are prohibited from parking in the metered spaces on the posted no-parking streets between the hours of 5:00 A.M. and 10:00 A.M. Vehicles that are not moved during this time period will be issued a parking citation. Residents may park their vehicles in the municipal parking lot on Record Lane or in the rear parking lot of the Police Station. Thank you for your cooperation.

WATER, SEWER, & STREET EMERGENCIES:

The Department of Public Works (DPW) is available 24/7 to address after-hour water, sewer, & street emergencies. To report a problem:
1. Call the City Office
2. Follow the voice prompts and leave your name, phone number, and a brief message.
3. Your message will be forwarded to the DPW.

Calls concerning water shut-off for nonpayment of water and sewer bills cannot be handled by the DPW after-hours. You must take care of this issue during normal business hours, Monday through Friday, 8 AM to 4:30 PM.
City News

TWO TANEYTOWN CITY COUNCIL MEMBERS REELECTED

Both Joe Vigliotti and Diane Foster were reelected as Taneytown City Council Members in the May 5 election.

NEW DOWNTOWN TANEYTOWN BUSINESS

Judy, raised in Silver Spring, moved to Taneytown in 2002 from Texas. She earned her AA degree while raising her three children; Tyler, Gabby and Shae. After getting married in 2016 to her husband Don, she added two step children; Travis and Dillon. She has been a member of the Planning Commission and has served on several committees over the past 8 years. Before having children, she was a Montgomery County Firefighter and has worked in construction and landscaping. She is currently self-employed and is focused on caring for her family, as well as concentrating on the city and its needs. Judy sees the potential for long term success in the city and wants to make that success viable through community involvement.

TANEYTOWN FAMILY BARBERSHOP

The barbershop specializes in haircuts for men, women and children and offers hot lather shaves for men.

The shop is located at 4 York Street in Taneytown. It is open Monday and Wednesdays from 7 am to 6 pm and Tuesday, Thursday and Friday from 9 am to 6 pm and Saturday's from 8 am to noon.

For more information call: 443-331-3005

MAYOR’S MESSAGE
(Continued from page 1)

to see the Wizard* at Carroll Vista (Taneytown’s version of the Emerald City). Each year, for a number of years Council, City Manager & Economic Development Director took parts from the Wizard of Oz, to kick off the program. We were rehearsed and appropriately dressed and it was great fun for a great cause. The last I heard was that Taneytown’s contribution was $40,000+, amazing! The fun doesn’t stop! I opened with Happy Memorial Day. Truly a most appropriate way to kick off the summer season is to take time to remember those who gave their all so we may be free. Memorial Day has always had a special place in my heart. I am the proud son of a World War II veteran and this day was not the day that marked our first trip to the beach or pool, when I was growing up, but a time to visit the graves of family members. It was there I learned about relatives I never knew. I learned about a great grandfather who served in the War Between the States (Sgt. Townley Roby, 1st Maryland Calv., CSA). I learned of my Aunt Portia, who died during the flu epidemic, I learned about my infant cousin Kathy, and Granddaddy Howser, what stories my mother would tell! I learned about my father’s dad, who too young to be a “flyer” in WW I came from Brooklyn to Bowling Field in DC to photograph the construction of many of

The Taneytown Record Page 4 JUNE/JULY 2017
Taneytown News

MAYOR’S MESSAGE
(Continued from page 4)
Washington’s most famous monuments,
met my grandmother and the rest... they
say is history. I wonder if we visit the
cemeteries anymore? We are so scattered
about it makes it difficult sometimes. I
do hope we continue to tell the stories,
though.

We have a full summer ahead,
Father’s day, June 11, Flag Day, June 14
Taneytown’s Wine & Jazz Fest, June 17
Concert in the park, with the Nautical
Wheeler’s and more. For complete infor-
mation check our newly designed web
site at www.taneytown.org. I would like
to hear your comments on what you
think.

We have had so much going on
since I last visited with you. I really don’t
know where to start, perhaps with the
budget. Council has passed the annual
budget for fiscal year 2018 (7/1/17) with
no tax increase, again this year. We were
able to lower water and sewer rates by
5% and make plans for the development
of Bollinger Park, a Gazebo for Memo-
rial park to host music/entertainment
events. We are continuing to explore the
feasibility of a “Splash Park” that was
mentioned last issue. I thank all of you
who responded. We also held City elec-
tions. It was a contentious time leading
to Election Day but Taneytown’s Cit-
izens turned out in record numbers to elect
(by 2:1 margin) those who are commit-
ted to balanced, truthful and economi-
cally sound government. Welcome back,
Mayor pro tem Diane Foster, Council-
man Joe Viglione and welcome Coun-
cilwoman Judith Fuller! On a less joy-
ous note, the Council once again took an
unusual step of having to censure a fel-
low member. Councilman Frasier was
censured at our regular meeting on May
8th for disclosing/publishing confidential
documents on social media. This is the
second time Council has had to take such
action. I hope it is the last.

Our town has seen a flurry of eco-
nomic development activity as of late. A
new Bed & Breakfast establishment is
being developed on York Street (old Eliz.
Baumgardner House). The thrift/consign-
ment shop at the downtown square has
closed to make way for a new coffee
house & book store, Taneytown Family
Barber Shop has also opened on York St.
Evapco’s new facility is underway and
some really big news is that a number of
partners have come together to open a
treatment center for those addicted to
opioid drugs, later this summer. It will
be located in Taneytown.

June is also the time that some of
your City officials participate in the
Maryland Municipal League's Summer
Convention. This is a time where we learn
of issues that will affect you our citizens,
first hand. We expect to have the Gover-
nor with us and the opportunity for us to
network with other elected municipal
officials from around the state is immea-
surable.

It is truly a bright day in Taneytown.
A wonderful summer lies ahead. I hope
that all of you will be safe. On April 2nd

MAYOR'S MESSAGE
(Continued from page 5)

I was able to help celebrate the reopening (after a brief winter hiatus) of the Taneytown Historical Museum. I had the privilege of awarding the prizes to the winners of the Taneytown History Contest. What an amazing group of talented young people participated. The winner, Emily Schildwachter, developed an interactive “Jeopardy” style game about Taneytown’s history that we hope to bring to the city’s web site in the near future. Please take time this summer to visit this special place. New exhibits include an array of quilts and a quilting exhibit that traces the history of quilting in our community. Be sure also to stop by and see firsthand an Eli Bentley case clock crafted right here in Taneytown (c 1800). By now I know you’ve figured out that all this “history talk” is leading up to this issue’s history question. Congratulations to last month’s winner, Dominic Smithley, for responding that the Railroad was the life changing event to come to Taneytown in 1871. Now for this issue’s challenge:

Q) When was Taneytown first incorporated as a municipality (it was founded in 1754)?

Be the first school age person to respond with the correct answer to my e-mail address (jmccarron@taneytown.org) and you will win a gift card. Remember to give me your name, age, what grade you are in and where you attend school. GOOD LUCK!

*If you have won in the recent past (the last three issues) please let other have a chance.

Taneytown Annual Wine Trew and Jazz Fest
ANTIQUE CAR & TRACTOR SHOW AND PEACH FESTIVAL

Mark August 19 on your calendar now. It is the 2nd Annual Antique Car & Tractor Show and Peach Festival at Emmanuel (Baust) United Church of Christ. The festival will run from 10AM-4PM.

June 19 will be a recognition of church members who are high school or college graduates this year. Church members will be volunteering at the General Synod of the United Church of Christ in Baltimore, Md starting June 30. There will be no service at the church on July 2. Members are encouraged to join the worship service at the Synod meeting in Baltimore.

Worship time will remain at 10AM for the summer. There will be no Sunday School classes during the summer months.

The Bible Study group is studying the book of Genesis. It meets Thurs. evenings at 6PM in the church parsonage.

Join our Breakfast group at Grandma Gem’s at 8am on the 1st Wednesday of the month.

The church is located at 2950 Old Taneytown Rd in Tyrone, MD. The minister is Rev. Jeffry Dull. For more info call 410 751-1237 or office@ebucc.com

"INSURE" YOUR PET IS PROTECTED

Happy spring! It's Shelby with Antrim Veterinary Hospital. Have you ever wanted to do more for your pet but didn't have the funds? There is a solution to this problem. You can get health insurance for your pet. There are many different companies you can insure with whom have different premiums, plans, and deductibles just like human health insurance. You can pick plans that just cover accident and illness or plans that include wellness. Some companies even cover up to 90% of costs. Think of how much more you could do for your pet if you only had to pay 10% of your bill.

29% of dog owners and 21% of cat owners did not take their beloved pet to the veterinarian last year as they could not afford it. Medical treatments for both humans and pets have advanced tremendously in the past 20 years. Unfortunately there is a cost related to the progress made in obtaining quicker and more accurate diagnoses and more successful therapies. That is why we have health insurance. So why not do the same for your pet? The best time to get insurance on your pet is when they are still young and healthy but you can get it at almost any age.

Most people with pets have budgeted for the expected visits such as food, accessories (collar, leash, bowls) and routine health care. But what about the unexpected costs such as emergencies or complicated illnesses? Statistics show that the average annual cost of a dog is about $685 and $705 for a cat. One third of all pets will need emergency veterinary treatment each year. Some of the common emergencies include cruciate rupture ($2000), foreign body removal ($1300), or a hit by car ($1000 just to stabilize patient).

There are so many companies to choose from it can be overwhelming but we have found easiest to deal with are Trupanion, Healthy Paws, and Pets Best. Individual premiums vary based on breed, age, and sex. Policies that cover wellness tend to have higher premiums versus accident/illness policies.

Another tool you can use to help with unexpected expenses is Care Credit. Care Credit works similar to a credit card but you may use it for any medical expense including your own! They allow you to divide your total bill into 6 monthly payments that are interest free. It only takes a few minutes to apply and you will know if you qualify immediately.

What better gift is there than to give your pet something that continues to give back throughout their life? Relieve the financial burden and make the decisions for your pet based on the best medical option instead of cost. Come in today for your exam and a free 30 day trial of pet insurance.
Taneytown News

HEROIN AND OPIOID AWARENESS EVENT

A Heroin and Opioid Awareness Event at the Taneytown public library on January 25 brought together 72 members of our community. Families Against the Stigma of Addiction (FASA), Inc. hosted the Carroll County Health Department (Linda Auerback) for the program Chasing It. Personal testimonies by Heather Press and Jeremy Simons were very powerful and provided hope. Beth Cox spoke also on a personal level and provided much needed information on what a parent or relative of a person struggling with the disease of addiction should do. FSK Principal Baugher spoke on the school’s protocol when they know of a student with substance abuse issues. Taneytown police Sergeant Brooks assured the audience that the police department is approachable. Several people called the Health Department the day after the event to request treatment.

A follow up event: Free Opiate Overdose Rescue training (How to administer intranasal naloxone) will occur on Feb 21 (6-8pm) at the Taneytown library. Anyone interested, please register with Carol Mullen @ 410 876-4802.

Families Against the Stigma of Addiction is a nonprofit organization started by the Peterson family after the loss of their son and brother, Chris, to heroin addiction. Their mission is to end the stigma so that people who are addicted will not be afraid or ashamed to seek treatment and so that adequate treatment will be available. Their vision is that people struggling with addiction will receive the same respect as those people struggling from any other disease. For future events please go to their website for Chris.org and follow them on Facebook. Contact Martha Peterson 717-701-5782.
FRANCIS SCOTT KEY HIGH SCHOOL NEWS

This month’s featured Key Leaders podcast guests included some of the Class of 2017 Senior Superlative winners. In these two episodes, Nathan Fritz (Most Scholarly), Heather Rohwein (Most Athletic), Grace Santos (Most Likely to Brighten Your Day) and Jenna Iser (Most Likely to Brighten Your Day) discuss how they became the examples of the traits their classmates see them to be. Listen through the following link: http://keyleaders.libsyn.com/

- Congratulations to Francis Scott Key’s May student of the month! Hannah Hockensmith (9) exemplifies the values of our school and has worked diligently with determination to accomplish her goals.

- Congratulations to senior Emma Padrick for receiving the Philanthropic Educational Organization STAR scholarship!

FRANCIS SCOTT KEY HIGH SCHOOL NEWS

(Continued from page 11)

According to www.peointernational.org, the P.E.O. STAR Scholarship was established in 2009 to provide scholarships for exceptional high school senior women to attend an accredited postsecondary educational institution. Emma, who will be attending Gettysburg College in the fall, is the first recipient nominated by the Westminster chapter of this national scholarship.

• In recent alumni news, 2016 FSK graduate Jacob Toth received his Boy Scout Eagle Award in late April of 2017. His project was to fabricate, from scratch, two steel benches for the church that sponsors Troop 582. He put together a team from his CCCTC welding class to do this project. Although he is a graduate, most of his work was done through his time at CCTC. Congratulations, Jacob!

• The Character Education Committee at FSK is launching a new project: The Francis Scott Key Wall of Excellence! The purpose of the Francis Scott Key Wall of Excellence is to honor and recognize men and women who have exhibited excellence through the foundation.

(Continued on page 14)
Habitat for Humanity® Home Repair Program

Habitat for Humanity® Home Repair Program is a home preservation service that offers minor repair services for homeowners in need.

The Home Repair Program helps low-income homeowners impacted by age, disability and family circumstances, who struggle to maintain their homes.

Who:

- Applicants must meet the following requirements:
  - Own their home in Carroll County
  - Make less than 80% of the Area Median Income
  - Need emergency home repairs
  - Have the ability to repay a zero percent interest loan

How:

- Habitat selects partner families based on income, need and willingness to partner.
- Habitat affiliates use volunteers, labor and donated building materials to help create basic needs.
- A no-interest loan is made to the homeowner to cover the cost of the project.

Why:

- Families live in safe and well-maintained homes.
- Neighborhoods are revitalized.
- Community connections are made.
- Affordable housing inventory is increased.

tions taught at FSK. The future members of the Wall of Excellence will have displayed unparalleled dedication, loyalty, and commitment to the values taught at FSK. The hope is that the success of the inductees will inspire FSK’s students to strive for excellence while in high school and beyond. To nominate an individual or for more information, please contact Mrs. Brilhart.

• The FSK food pantry is open during the school year! Our goal is to help families in need receive food from our donations of frozen, refrigerated, and canned goods. The pantry is open on Tuesdays from 3:00 - 4:00 in Room 805, but follows the CCPS calendar so is closed on school holidays. Families should park in the lower lot of the school. Donations are always appreciated!
TANEYTOWN LIONS GIVE MONEY AWAY!

Remember all those sales and activities the Club sponsored during the year? Perhaps you participated by buying some fruit, seafood, nuts, chocolates or even a fruit cake. Then there was also Family Fun Days, the Ten Week Club, Basket Bings, Pancake Breakfasts, or maybe just a breakfast sandwich at the food trailer. Yes, we make money and each year the Club gives away 100% of the profits. Two special occasions this spring account for $1,000s given back at 2 special events. At a March meeting representatives from ARC of CC, Carroll Hospice, Carroll Hospital Ctr., I CAN Foundation, Literacy Council of CC., Mission of Mercy, Rape Crisis Intervention, Shepherd’s Staff, Caring & Sharing Ministries, Taneytown Fire Co., Ladies Aux, Ambulance Service & Taneytown Heritage Museum accepted contributions for their respective groups. In May a similar group representing the local youth sports teams will collect similar amounts to defray the cost of equipping the teams for competition. The Lions Club will also reward each participant in the Annual Fishing Derby with a free hot dog and soda.

In addition to supporting local needs in our own community, the Lions Club joins with sister Clubs in the area and around the world to help those in need with a special emphasis on visual impairments. This includes the training of Leader Dogs for the Blind, Medical Eye Bank, Wilmer Eye Clinic and Low Vision Research. Our $$$$ are well spent and so are yours when you support our Fund Raisers.

LIONS CLUB MAKING PLANS FOR FAMILY FUN DAYS IN AUGUST

Circle Aug 18 & 19 on your calendars! Members are busy working on preparing new activities, rides and games. This year the main activities and food vendors will be located on the lighted football fields.

(Continued on page 16)
NEW KICK-OFF ACTIVITY
"FANCY WHEELS"
MINI PARADE

The parade will form at the Carnival Grounds beginning about 4:15 and will "parade through the park" to the football field. Every one who actually participates in the parade will receive a free ride/game coupon. Entry forms are available in this paper, at City Hall or other places around town beginning in July, but you must submit them by Aug. 15. (See Entry coupon in this paper or look for the flyer in businesses around town in July). Remember, all entries must include a wheel or wheels, but may include walkers with the wheels. Look for town's "biggest wheels", our town officials who have been invited to walk if they wish. If you have any questions about eligibility of your entry idea, Call Bobbie at 410-848-3163.

SATURDAY'S OPENING EVENT
TREASURE HUNT FOR CHILDREN AGED 3-10

Hundreds of foil wrapped treasures (novelties, candy, or gift cards) will be hidden in a marked off space in Memorial Park. Each participant will be given a collection bag and can keep all they find. The youngest children, (age 3 - 6) will get the first chance in a specified area beginning at 1:45. (No adults or older children may accompany the hunters.) At 1:50 children age 7-10 will be allowed to find anything missed and also search in a larger area for their goodies. The hunt is free, but each participant must have an age appropriate free coupon to exchange for their collection bag so our workers will know who is in each group. Coupons are available in this paper, Town Hall, businesses displaying Parade

(Continued from page 15)

Children and adults of all ages are welcome to participate. This is an individual or group activity.

What do a wheelbarrow, baby carriage, child's wagon, grocery cart, riding lawn mower, tricycle, wheel chair, unicycle, scooter, moped, golf cart, all have in common???

They could be part of an entry in our mini parade to precede the opening of this year's Family Fun Days. Use your imagination and creative decorating skills to create an entry. It can spark up those remaining days of summer vacation from school when life can sometimes get "boring". Prizes will be given for a number of categories including: Prettiest, Most Original, Craziest, Most colorful, Best Presentation, Most Lionistic, Most Patriotic, Best Use of Imagination, Most Historic and any other category that seems appropriate. There will also be a Grand Prize Trophy.

SATURDAY’S OPENING EVENT TREASURE HUNT FOR CHILDREN AGES 3-10 (Continued from page 16)

Poster, Friday Night Fun Day or any Lion member. The most valuable “treasures” will be gift cards in varying amounts from child friendly vendors valued up to $25.00. Any “candy treasures” will be chocolate and nut free.

MAIN EVENT ACTIVITIES

Fun days will officially begin at 5 PM on Friday, Aug. 18.

Food vendor offerings will definitely include our own popular Lions Food Truck, funnel cakes & pizza. Check the next edition of this paper for a final listing.

The “Dunk Tank” will return, so practice your pitching to surprise our sporty volunteers who sit on the bench! There will be 2 bounce houses, a large assortment of glassware on the dime pitch table, a Duck Pond producing a winner every time, Bouncing ponies in various sizes, Plunk-O, Skee Ball, and more. There will be live ponies and the return of the Lions Club Barrel Ride.

The Westminster Municipal Band will perform on Friday evening, and other musical groups on Saturday.

Students may earn community service hours for helping with the events. There will be plenty of opportunities to volunteer. Youth groups are urged to participate. Watch the next edition if you are interested or talk to any Lion member. You will see us at various locations and events selling our 50/50 raffle tickets, giving away Treasure Hunt Coupons, and parade flyers. Let us know your interests.
## Northwest Middle School

### Community Garden

Do you want fresh vegetables and herbs (maybe using for free)?

**What:** Northwest Middle School is the recipient of a grant that allowed for a greenhouse to be built and 6000 square feet to be leased. The additional space will house multiple garden plots that are 4 x 12’ raised bed gardens. Families that choose to participate will be given one of these plots and a selection of vegetables and herbs to plant. If interested, the participants must maintain their garden through regular watering, weeding, and harvesting.

**When:** Students at Northwest have begun producing plants from seed in the greenhouse. Once seedling, planting, and planning will occur. In late May or early June, the garden will be open for initial planting. The garden will be open on Monday, Wednesday, and Friday during the summer from 8:00 am to 11:00 am for members to tend to their plots.

**How:** Attend a training session on best practices and how to grow a garden. Gardeners will be assisted by Carroll County Master Gardeners. Create a plan about the crops you would like to grow with these experts and your family. Gather plants you want to raise from the greenhouse. Maintain your garden like a stock through watering, weeding, and harvesting. Ask community members to help grow your garden. Gardeners will be given a set of tools and will be given a plot to work.

Return the attached form to:

**In person:** Main Office
**Fax:** 410-751-3275

### Northwest Community Garden Rules

Any violations of these rules may result in loss of plot:

- No pets or animals are permitted in garden
- All members must participate in CCPS volunteer training program
- All CCPS policies related to drugs, alcohol, and tobacco must be abided by while on CCPS property
- Regular maintenance must occur at least twice a week (including times of travel communication with garden leaders must occur)
- Must communicate with garden leaders during times of vacation or for assistance in garden maintenance

### Northwest Middle School Community Garden Application

<table>
<thead>
<tr>

<tbody>
<tr>
<td>Association members (family/friends)</td>
<td></td>
</tr>
<tr>
<td>Email for all members</td>
<td></td>
</tr>
<tr>
<td>Phone</td>
<td></td>
</tr>
</tbody>
</table>

Tell us why and how you will be able to maintain your garden:

Additional Information (Why should we give you this plot):

(please continue on back of letter)

I pledge if given a plot(s) to follow the requirements as stated and understand after two offenses, my plot will be given to another family.

30+ years of experienced and effective representation.
The museum held its grand re-opening for 2017, Sunday, April 2nd. There was much to celebrate that day. The museum opened at 1 pm by dedicating the Taneytown School Bell. A new major exhibit of quilts, antique and new was open for the day. Also several new additions to the “Taneytown Room”, notably the Eli Bentley tall case clock. There is also a new “Collector’s Corner” display and the Gift Shop is open during regular hours.

This was a very well attended event. Winners of the “2017 Show Your Pride History Contest” sponsored by the City of Taneytown with cash prizes were announced. The contest was for students of the area schools. First prize of $500 went to Emily Schildwachter, Second prize of $200 went to Gabriella Fritz, Third prize of $100 went to Thomas Crushing.

The quilts will be on display for the 2017 season. Mrs. LeRowell volunteered to curate this display. She is an independent curator and lecturer and has produced exhibitions in the United States and overseas.
LOCAL CHEVROLET DEALER STEPS UP TO BAT THROUGH SUCCESSFUL YOUTH BASEBALL PROGRAM
WANTZ CHEVROLET INC. FORGES SEASON-LONG PARTNERSHIP TO AID TANEYTOWN LIONS BASEBALL & SOFTBALL

In the spirit of community collaboration and teamwork taught through youth sports, WANTZ CHEVROLET INC. is supporting Taneytown Lions Baseball & Softball through the Chevy Youth Baseball Program. This sponsorship will include both monetary and equipment donations during the 2017 youth baseball season.

Chevy Youth Baseball is a grassroots initiative that establishes a positive relationship between local dealers and the communities they serve. WANTZ CHEVROLET INC. is sponsoring Taneytown Lions Baseball & Softball as a part of Chevrolet’s nation-wide commitment to support youth sports, one community at a time. Over the course of the season, WANTZ CHEVROLET INC. will also donate Chevrolet-branded equipment to the league.

MARYLAND HISTORY DAY WINNER

Congratulations to sophomore Marena Mosher for placing 1st in Individual exhibit in the County Maryland History Day. She then went on to represent Francis Scott Key and Carroll County on April 29 for state competition. She was the only Carroll County high school student to receive the Award For Excellence In Women’s History Senior Division Maryland History Day.

“We are looking forward to a great season with Taneytown Lions Baseball & Softball that will be filled with exciting games and an enhanced experience for the teams through the equipment and cash donations” Sheila Wantz, of WANTZ CHEVROLET INC. said.

WANTZ CHEVROLET INC. FORGES PARTNERSHIP TO AID TANEYTOWN LIONS BASEBALL & SOFTBALL

(Continued from page 23)

"Chevy Youth Baseball is just one example of how committed our dealership is to supporting the youth and families in our community."

The 2017 program will provide assistance to approximately 300 organizations in the Northeastern region and Chevrolet dealers will contribute over $450,000 in monetary and equipment donations.

ABOUT CHEVROLET

Founded in 1911 in Detroit, Chevrolet is now one of the world’s largest car brands, doing business in more than 115 countries and selling more than 4.0 million cars and trucks a year. Chevrolet provides customers with fuel-efficient vehicles that feature engaging performance, design that makes the heart beat, passive and active safety features and easy-to-use technology, all at a value. More information on Chevrolet models can be found at www.chevrolet.com.

Happy Campers - For Ages 3 - 6; Friday, 6/16 at 11 am
Kindergarten Academy - For Ages 3 - 5; Monday, 6/19 & 7/17 at 10 am; Friday, 6/23 at 10 am
Building Together in Minecraft - For Ages 8 - Adults; Monday, 6/19, Wednesday, 6/21 - Friday, 6/23 at 2:30 pm
Summer Discovery Kickoff Party - For All Ages; Tuesday, 7/25 at 7 pm

FOR TEENS

Teen Advisory Board - For Ages 12 - 17; Thursday, 6/1 & 7/6 at 6:30 pm
Garden Craft: Tin Can Insects - For Ages 13 - Adults; Saturday, 6/17 at 11 am
Building Together in Minecraft - For Ages 8 - Adults; Monday, 6/19, Wednesday, 6/21 & Friday, 6/23 at 2:30 pm
Fly It! - For Ages 8 - 13; Thursday, 6/22 at 1:30 pm
Learn to Meditate - For Ages 15 - Adults; Saturday, 6/24 at 2 pm
Teen Lock-In - For Ages 12 - 17; Friday, 7/7 from 5:30 - 9
Delightful Dogs - For Ages 7 - Adults; Wednesday, 7/12 at 3 pm
Tech Demo Day - For All Ages; Friday, 7/14 at 2 pm
Intro to Fabric Arts: Embroidery - For Ages 12 - Adults; Monday, 7/17 at 2 pm
Polymer Clay Creations - For Ages 12 - Adults; Monday, 7/17 at 2 pm
Bead It! - For Ages 7 - 12; Thursday, 7/20 at 1:30 pm
Awesome Alpacas - For Ages 7 - Adults; Wednesday, 7/26 at 3 pm

TANEYTOWN LIBRARY EVENTS:
(Continued from page 27)

Reptile Wonders - For Ages 4 - Adults; Monday, 6/26 at 10:30 am*
Drive-in Movie - For Ages 3 - 6; Wednesday, 6/28 at 9:45 am*
Heavenly Horses - For Ages 7 - Adults; Wednesday, 6/28 at 2 pm*
Three Billy Goats Gruff - For Ages 3 - 12; Wednesday, 6/28 at 6:30 pm; Thursday, 6/29 at 9:45 am; Monday, 7/17 at 10 am*
Engineer It! - For Ages 7 - 12; Thursday, 6/29 at 1:30 pm*
Junie B. Jones: The Musical - For All Ages; Saturday, 7/1 at 1 pm
Holiday Drop-in Crafts: Celebrate Independence Day! - For All Ages; Monday, 7/3 from 10 am - 12 pm
Recycle It! - For Ages 7 - 12; Thursday, 7/6 at 1:30 pm*
Building a Better You with Fitness; For Ages 4 - 9; Friday, 7/7 at 1 pm*
Pamper and Polish - For Ages 8 - 12; Monday, 7/10 at 10 am*
Bubble Show - For Ages 4 - Adults; Monday, 7/10 at 1 pm*
Home Depot Build It - For Ages 6 - 12; Wednesday, 7/12 at 1 pm*
Delightful Dogs - For Ages 7 - Adults; Wednesday, 7/12 at 3 pm
Throwback Thursday Crafts - For Ages 7 - 12; Thursday, 7/13 at 3 pm*
Building Fun - For Ages 2 - 5; Friday, 7/14 at 10 am*
Tech Demo Day - For All Ages; Friday, 7/14 at 2 pm
Potted Plant Fun - For Ages 8 - 12 Saturday, 7/15 at 11 am*
Wee Move - For Ages 3 - 6; Wednesday, 7/19 at 9:45 am*
Meet Author Lois Szynski and a Chincoteague Pony - For Ages 7 - Adults; Wednesday, 7/19 at 2 pm*
Beauté It! - For Ages 7 - 12; Thursday, 7/20 at 1:30 pm*
Elephant & Piggie - For Ages 4 - 8; Friday, 7/21 at 10 am*
GSK Science in the Summer: Science of Sports for Kids Entering 2nd & 3rd Grades; Monday, 7/24 & Tuesday, 7/25 from 10 am - 12 pm*
GSK Science in the Summer: Science of Sports for Kids Entering 4th - 6th Grades - Monday, 7/24 & Tuesday, 7/25 from 12:30 - 2:30 pm*
Awesome Alpacas - For Ages 7 - Adults; Wednesday, 7/26 at 3 pm
Wee Dance - For Ages 3 - 6; Wednesday, 7/26 at 9:45 am*
Outdoor Art - For Ages 8 - 12; Friday, 7/28 at 11 am*
Meet and Greet the Miniature Horse - For All Ages; Friday, 7/28 at 1 pm
Junior Gardener’s Workshop: Summer Flower Arrangement - For Ages 8 - 12; Saturday, 7/29 at 10 am*
Pint-Sized Picasso - For Ages 2 - 5; Monday, 7/31 at 10 am*

REGULAR STORYTIMES

Read and Play - For Ages Birth - 24 Months; Wednesday at 11 am
Tweens and Threes Together - For Ages 2 - 3; Tuesday at 9:45 am
Pajama Party Storytime - For Ages Birth - 8; Wednesday at 6:30 pm
Family Storytime - For Ages Birth - 8; Thursdays at 9:45 am

* Registration is required for this program and begins 2 weeks prior to the program. Stop by the Information Desk, phone 410-386-4510, or log onto library.carr.org, select Programs, and follow prompts to register.

PLEASE NOTE that all branches of CCPL will be closed on the following dates: Tuesday, July 4, 2017
May 18, 2017
PWSID MD0060012

The City of Taneytown - Public Works Department would like to present to you this year's Annual Water Quality Report. This report is designed to inform you about the quality of the water and services we deliver to you every day, and to help you understand the efforts we make to continually improve the water treatment process and protect our water resources. Our constant goal is to provide you with a safe and dependable supply of drinking water. We are committed to ensuring the quality of your water.

Our water is supplied by eight wells located throughout the City, which draw from the New Oxford aquifer (or Formation). Each well has its own chlorine disinfection treatment system. The finished (treated) water from each well is pumped into a distribution piping system, which includes two storage tanks.

We have a Source Water Assessment Plan available from our office that provides more information such as potential sources of contamination. This plan is also available from Maryland Department of the Environment (MDE) or the Carroll County Public Library.

We are pleased to report that our drinking water meets federal and state requirements.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk for infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection in cryopreservation and other microbiological contaminants are available from the Environmental Protection Agency’s Safe Drinking Water (SDW) Hotline (800-426-4791).

If you have any questions about this report or concerning your water utility, please contact the City Office at 410-751-100 between the hours of 8 a.m. and 4:30 p.m. We want our valued customers to be informed about their water utility. If you want to learn more, please attend any of our regularly scheduled Council meetings. They are held on the second Monday of each month at 7:30 p.m. at the City Office.

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the land or through the ground, it can dissolve naturally-occurring minerals and, in some cases, radioactive materials, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

All drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the SDW Hotline at 1-800-426-4791.

The City of Taneytown routinely monitors for contaminants in your drinking water according to Federal and State laws. The Environmental Protection Agency (EPA) prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. Food and Drug Administration regulations establish limits for contaminants in bottled water which must provide the same protection for public health. The following table shows the results of our monitoring for the period of January 1 to December 31, 2016. In this table, you will find many terms and abbreviations you might not be familiar with. To help you better understand these terms, we’ve provided the following definitions:

- Non-Detect (ND) - laboratory analysis indicates that the contaminant is not present.
- Range - indicates lowest level to highest level of contaminant detected.
- N/A - not applicable.
- Parts per million (ppm) or Milligrams per liter (mg/L) - or one ounce in 7,350 gallons of water.
- Parts per billion (ppb) or Micrograms per liter - or one ounce in 7,350,000 gallons of water.
- Picocuries per liter (pCi/L) - picocuries per liter is a measure of the radioactivity in water.
**Action Level (AL)** - The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.

**Maximum Contaminant Level (MCL)** - The “Maximum Allowed” is the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.

**Maximum Contaminant Level Goal (MCLG)** - The “Goal” is the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.

**Maximum residual disinfectant level goal (MRDLG)**: The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

**Maximum residual disinfectant level or MRDL**: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

### Inorganic Contaminants

<table>
<thead>
<tr>
<th>Contaminant</th>
<th>Variation</th>
<th>Level Detected</th>
<th>Goal Measured</th>
<th>MCLG</th>
<th>NCL</th>
<th>Likely Source of contamination</th>
</tr>
</thead>
<tbody>
<tr>
<td>Barium</td>
<td>No</td>
<td>ND&lt; 0.09 (range) ppm 2 2</td>
<td>Discharge of drilling waste; discharge from metal refinement; emission of natural deposits</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Fluoride</td>
<td>No</td>
<td>ND&lt; 0.04 (range) ppm 4 4</td>
<td>Emission of natural deposits; water additive which promotes strong teeth; discharge from fertilizers and aluminum factories</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Lead (2014)</td>
<td>No</td>
<td>&lt;5.0 ppm, peroxide ppm 0 15 (Action level)</td>
<td>Corrosion of household plumbing systems; emission of natural deposits</td>

<td></td>
<td></td>
</tr>
<tr>
<td>Copper (2014)</td>
<td>No</td>
<td>0.71% ppm, peroxide ppm 1.3 1 (Action level)</td>
<td>Emission of natural deposits; corrosion from wood preservatives; corrosion of household plumbing systems</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Nitrate (measured as Nitrogen)</td>
<td>No</td>
<td>ND&lt; 0.8 (range) ppm 10 10</td>
<td>Runoff from fertilizer use; leaching from septic tanks; seepage; emission of natural deposits</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Arsenic</td>
<td>No</td>
<td>ND&lt; 0.01 (range) ppm 0 10</td>
<td>Emission of natural deposits; runoff from grass and ornamental flowers production sources</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Chromium</td>
<td>No</td>
<td>ND&lt; 2.7 (range) ppm 100 100</td>
<td>Discharge from steel and pulp mills; emission of natural deposits</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

### Disinfectants and Disinfection By-Products

<table>
<thead>
<tr>
<th>Chlorine (disinfection)</th>
<th>No</th>
<th>0.1-1,1 ppm</th>
<th>0.1-1 (range)</th>
<th>ppm</th>
<th>MCLG</th>
<th>NCL</th>
<th>Water additive used to control microbes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Trihalomethanes (THM)&lt;br&gt; (DBP)&lt;br&gt;</td>
<td>No</td>
<td>5.6 ppb</td>
<td>5.6 (range)</td>
<td>ppm</td>
<td>N.A.</td>
<td>N.A.</td>
<td>By-product of drinking water disinfection</td>
</tr>
</tbody>
</table>

### Synthetic Organic Contaminants including Pesticides and Herbicides

| UI (2-ethylhexyl) Phthalate | No | ND< 0.02 (range) ppm 0 6 | Discharge from plastic and chemical factories |

### Unregulated Contaminants

| Sodium (2015) | No | 0.3 ppm | ppm | N.A. | N.A. | Emission from natural deposits |
| Hardness      | No | 250 ppm | ppm | N.A. | N.A. | Emission from natural deposits |

**Note:** Test results are for 2016 unless otherwise indicated; all contaminants are not required to be tested for in an annual basis.

Regulatory compliance with some MCLs are based on running annual average of samples.

**Hardness:** Water is a strong solvent that dissolves varying amounts of mineral substances. Calcium and magnesium are the principle mineral contaminants that cause water to be “hard.” (17.1 ppm = 1 grain). While not a health concern, high levels of hardness can cause other issues such as spots on dishes and the need to use extra soap for bathing, dishes, and laundry, but low water scaling.

**Arsenic:** While your drinking water meets EPA’s standard for arsenic, it does contain low levels of arsenic. EPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

The Taneytown Record  Page 30  JUNE/JULY 2017
TANEYTOWN QUALITY WATER REPORT
(Continued from page 30)

Lead: If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and homes plumbing. The City of Taneytown is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your drinking water, you may wish to have your water tested. Information on lead in drinking water testing methods, and steps you can take to minimize exposure is available from the EPA SDW Hotline at 1-888-493-4159 or at http://water.epa.gov/.

Nitrate: Levels above 10 ppm in drinking water is a health risk for infants of less than six months of age. High nitrate levels in drinking water can cause blue baby syndrome. Nitrate levels may rise quickly for short periods of time because of rainfall or agricultural activities. If you are caring for an infant you should ask advice from your health care provider.

Thank you for allowing us to continue providing your family with clean, quality water this year. In order to maintain a safe and dependable water supply we sometimes need to make improvements that will benefit all of our customers. These improvements are sometimes reflected in rate structure adjustments. Thank you for understanding.

Please call our office at 410-756-100 if you have questions. We at the City of Taneytown work around the clock to provide top quality water at every tap. We ask that all our customers, who are the heart of our community, help us protect our water because our way of life and our children’s future depends on it.

2016 Drinking Water Quality Report

Harvey’s General Store,
Welcome to A1 Beer, Wine & Liquors
Open on Memorial Day & 4th of July Weekend!
4170 Francis Scott Key Highway, Taneytown, MD 21787
TEL: 410-756-2567

Any 30 PK Coors, Miller, Bud Family, Michelob and Bush
$2 OFF
