Honesty is the first chapter in the book of wisdom. Thomas Jefferson

Where did the summer go? Already it’s nearly October. Soon the leaves will be falling, the north wind will blow and our earth will lie still for its’ winters sleep. So it is, the cycle of the seasons. Let us rejoice and be glad! I hope the summer went well for you. I hope you had a chance to celebrate the season of life and growth and warmth with your family and friends. Myra and I were able to spend an absolutely wonderful four days with my brother over Labor Day at his home on the Outer Banks. Also, our Taneytown first Lady, Myra, was given the honor of singing the Star Spangled Banner at the 911 Luncheon at the National Fire Training Academy in Emmitsburg where she works, which I proudly attended. The season has been a wet one; though, more so than I can remember. All and all, it hasn’t been too bad, weather wise (at least yet). We dodged Hurricane Florence and it’s nearly October. Soon the leaves will be falling, the north wind will blow and our earth will lie still for its’ winters sleep.

NEW IT ASSISTANT HIRED

My name is Jacob Gruentzel, a Jr. UNIX systems administrator from Mount Airy. I’ve always had an interest in networking and pretty much anything computer related since I was a kid. For about the past 4 years or so I’ve been running servers out of my bedroom and I’ve always wanted to turn my hobbies into a profession. Most of my career experience thus far has been from my Father’s company, where I worked as the primary systems administrator. While it was certainly a great learning experience, I wasn’t getting the amount of experience I needed to really succeed. I’m very grateful to have been accepted into the position of IT Assistant, as I see this as an excellent learning opportunity and a great way to help as many people as I can along the way. The Taneytown Chamber of Commerce will be sponsoring “Barnyard Bingo”. If you haven’t purchased your ticket, be sure to contact a Chamber member.

WATER/SEWER BILLS

Water/Sewer bills will be issued October 1st, with a due date of October 31st, 2018. Any bill not paid by October 31st, will be assessed a 5% late penalty fee; on November 8th, an additional 5% will be added to any unpaid balance and on November 15th, an additional 5% will then be added to any unpaid balance. After November 15th, a late Water/Sewer bill will be mailed to anyone with an outstanding balance and will be due by November 22nd, 2018. Water shut-off is scheduled after November 22nd, 2018. If water service is interrupted for non-payment, there will be an additional restoration fee of $50.00, to reconnect water service. The day of water shut off only cash payments will be accepted. However, they need to be made prior to October 31st for October’s bill.

• A $3.00 convenience fee is charged and collected by processor for every $100. We now accept Visa, Mastercard, Discover and American Express.

DEAR PROPERTY OWNERS:

The City of Taneytown would like to take this opportunity to clarify our policy on estimated water bills. If the City does not get a radio read from your water meter (we do not need to enter your property to get this reading), the system will estimate your bill based on the previous three (3) quarters usage. There will be a water mark behind current reading/previous reading/consumption usage on your bill, stating Estimated Reading, if you have been estimated.

If your bill has the Estimated Reading image, please contact the City office at 410-751-1100, immediately, so that we can schedule a time to physically check the meter, obtain an actual read and/or complete needed repair, so we can obtain future radio reads. This process should take approximately 10 - 15 minutes. All you need to do is allow us a clear passage to your water meter in your home.

Thank you in advance for your cooperation.

MAYOR'S MESSAGE

(Continued from page 1)

ber right away! The Pumpkin People will be back this fall and when we get closer to the Holidays, we'll have the Christmas Tree lighting and the "Decorate a Tree" display at NWSB, so stay tuned.

Around City Hall we've missed our City Manager, Henry Heine, who has been out on sick leave with a heart valve replacement and cancer treatments. Please keep Henry in your prayers. In Henry's absence we've been able to hold things together quite well though. Our Zoning Administrator has been acting as city manager since Henry's absence and of course I have been spending much more time in the City office than usual. All employees have been pulling together and getting the job done. What a wonderful staff we have. Speaking of staff, I had the pleasure of swearing in three new replacement officers so our police force is once again up to full staff. We continue to be one of the safest towns in Maryland! Last issue I spoke of the unusual move of skipping our July meeting because it conflicted with Independence Day. As it turned out we didn't miss a beat here either. Our August and September meeting proceeded as planned with no hitches. Be Aware, the October Council Meeting conflicts with Columbus Day, so instead of holding it on our regular meeting date of Monday, October 8th, we'll hold it on the following day Tuesday, October 9th. Make a note, I hope to see you there. You may have heard that the Council was forced to take some unfortunate action against Councilman Frazier at their September meeting and voted unanimously to censure the Councilman for the unprecedented third time. This censure was a result of the Councilman registering for the Maryland Municipal League's Summer Conference back in June and then failing to attend or to notify the City that he was not going to attend. This failure resulted in a cost to the citizens of Taneytown of over one thousand dollars. Our City Code calls for anyone who is duly registered to attend the event registered for or to notify the City of non-attendance. As of this writing Councilman Frazier has failed to pay back the citizens or to offer a payment plan that would allow the citizens to be reimbursed. In addition, distortions to the truth have been rampant. Statements suggesting that "he never registered" have been made, or there is "some conspiracy" by the mayor or Council to defame Councilman Frazier. All this is completely untrue. Winston Churchill once said "A lie gets half way around the world before truth has a chance to get its pants on".

The exciting economic development news that I talked about in the last issue continues. The annual "Big Event" of the Carroll County Chamber of Commerce for the past several years has been the "Carroll Business Challenge" (think Shark Tank for Carroll County). This is an event that brings together start-up businesses throughout the county to compete for

prizes (> $20K in value for the first place winner) and recognition. Many businesses enter but in the final selection process, those who compete for the grand prize are narrowed down to just five. From those five a winner is selected. Taneytown was represented by two of those five, our new E. Baltimore Street flower shop "Floral Fetes" and a new Taneytown business, Brewery Fire, a local micro-brewery that is planning to locate at Thunderhead Bowling, in Taneytown. BREWERY FIRE emerged as both the Grand Prize winner and the People's Choice winner. They will make a wonderful addition to our community. Development plans have begun and part of those plans involve the Brewery Fire partners to appear before the Board of Zoning Appeals (BZA) in order to allow, by special exception, the proper zoning that is required. I encourage you to turn out and support this exciting new business at the Board of Zoning Appeals

(Continued on page 5)

note that a mailbox for Santa Letters will be located at the house for the children to write to Santa with a wish list.

The Chamber would like to take this opportunity to wish you a very good Fall season and a good end-of-the-year. Please allow us to be the first to wish you a Happy Thanksgiving, a very Merry Christmas and a Happy, Healthy, Prosperous New Year.

meeting on October 17th, at 7:30, in Council Chambers at City Hall. Recall also, last issue I was concerned that a developer of a low income rental housing development planned to ask the BZA for approval. Fortunately, the developers have withdrawn their interest at this time. They may be back in the future, so stay tuned. All in all Taneytown is enjoying a period of growth and development envied by many in the County. You have the right to be proud of your town, because it's you who makes this town so great!

History Question Time! I can't believe we did not get a correct response to the question I asked last issue, “When was Memorial Park Opened?” The answer was 1951. I had several answers that hit all around it, but no one came up with that date. This issues question may be more difficult, or maybe quite easy. PUT ON YOUR “Thinking Caps” (as my 4th grade teacher used to say)

**Question:** We know Taneytown was founded by Raphael Taney and Edward Diggs in 1754 as the "Brother's Agreement" Why was the agreement called the "Brother's Agreement"?

Be the first school age person to give me the correct answer and you will win a $25 gift card and have your photo published in the next issue of the "Taneytown Record". Send your answer to my e-mail jlmccarron@taneytown.org Good Luck!

 Hint: I came up with this question while I was serving as docent at the Taneytown History Museum.

**GRASS CLIPPINGS**

Clippings will be collected through Tuesday, December 4, 2018. You must call the City Office no later than 3 p.m. Monday to schedule for pick up the next day. Paper kraft bags are still required for grass clipping disposal.

I am proud of our town. I make sure that when asked where I am from, I am sure to tell them of this great place we call home. The sense of community here is strong. People really care and look out for others. When we had our house fire years ago, the support and offerings of help just showed how strong we are as a town. The many local groups and clubs that help the community are active and vibrant. I recently joined the Taneytown Lions Club. They really do help, not just here, but worldwide. We have much to offer here in town. The history speaks for itself. Taneytown has much to share. From the Civil War, WWI and WWII, this community was involved. The Taneytown Museum is one thing all should spend an afternoon visiting. There is much to learn.

Small town living has its benefits and drawbacks. Not much to do after 8 o’clock but if you look, things are going on. This past summer was great. I hosted a Jack Russell Terrier Trial here in July and it was great. I had people from all over this country and Canada. They all remarked how nice everyone is, how clean our town is and how comfortable they felt. I am looking forward to doing it again in 2019. We have many events here. Bicycle meets, wine fests and barnyard bingo. All that attend these events love our town.

Being a business owner here now for thirteen years, we have witnessed much. Births, deaths, weddings and divorce. People moving out and people moving in. We are a community on the move. Many do not realize how lucky they are to live here. It is only after they leave do they notice what they missed. Just a simple hello as you walk into a store. I have seen people help another that did not have enough money at the register. We have many that really care. The Little Pantry and Little Library are just two examples. It was a decision to make when we took...

over Taney Service Center thirteen years ago. Looking back now, it was one of the best decisions we made. This town is great. Being a part of it has been an honor and privilege. I am proud to tell people I live here. I am proud to tell them about our town and the history of it. All of us here in the community really make Taneytown a “Small town with a Big Heart”. Be proud to be able to call this place home. I know I am.
